SOFTBALL

File, 5; Sanitary, 1.

In the softball game at the Queen St. diamond last night between the File and the Sanitary, the File actually defeated the Sanitary by 5-1. This is a most unusual occurrence for the File, and we hope they will continue in this direction. The game played last night was somewhat different to the games that have been formerly played, as they used a 12 in. ball instead of a 14 in. ball, and the pitcher's box was placed further away from the plate, and the bases were also moved. Another thing about the

game was that ten men were used in place of the usual nine, both teams having two short-stops. The game was fast and furious, both teams doing their utmost, and the most popular get-out route seemed to be at first base. There was no heavy hitting in the game and nobody hit for more than a two-bagger. The infield work of both teams was something worth watching, and this was easily the best game and most interesting for the spectators that has been played this year. After the game some little discussion arose on account of the File team using men that have been playing hard ball, and this is hardly fair to the Sanitary team, but the Sanitary are not the kind that kick at a little thing like this, and if hard ball players are to be allowed to play in the game, the Sanitary will easily defeat any team in the league with their

hard ball aggregation. There is just one thing in the game that did not meet with the approval of the crowd, and that was when Baxter was at first base, and the base umpire called him out for being an inch off the base. This was a new one to most of them, and if it is a rule of the game, why then has it not been enforced before? If the File play the rest of their games in this second schedule the way they played last night they will certainly not be at the bottom of the league again.

The score by innings:

"CHUCK" ALLAN BRINGS IN WINNING RUN FOR BROADVIEWS

In the game between St. Pats and Broadviews in Toronto on Friday, the Toronto Mail and Empire says: "Coburn and Allan were the heroes of the day, the former with his pitching and the latter with his hitting." This was Coburn's third game in five days, but he did not show any effects from it. Martin was in the box for St. Pats, and this is the first time he has been defeated by Broadviews.

This game was the third game of a two out of three play-off in the Spalding League. This game was necessary as each had a win. St. Pats win being at Broadviews 3-2, and the second game Broadviews defeated St. Pats 5-0.

The grounds were very wet and covered in small pools of water from the recent rains, and small boys were sent round the field with sponges, and then about 30 gallons of gasoline were thrown on the infield and lit. The flames roaring high in the air. In this way the field was made ready for

playing. The game was a most exciting one for the 8,000 fans who were present and with St. Pats leading 2-0, Broadview got one in their half of the second, when Allen hit a grounder to pitcher and made second on pitcher's wild throw. Allen scored on H. Kerr's single. With the score 2-1 all went well until the fourth, when Broadviews tied the score. Allen hit a two-bagger and Thompson hunted safe to first and stole second. G. Kerr dropped short single over third scoring Allen and made second on the throw in.

In the fifth, St. Pats were retired in order. For the Broadviews, Hogarth walked to first and made third on Hank's two-bagger. Hogarth attempted to steal home but was sent back to third on umpire's decision that the

ball was not in play. With two men out and two strikes on him, Allen made a hit, scoring Hogarth, making the score 3-2 in favour of Broadviews. After playing part of the sixth, the game was called on account of darkness.

ROTARY LEAGUE.

Nationals, 4; Beavers, 0.

In the Juvenile League last night the Nationals whitewashed the Beavers by a score of 4-0. The Beavers' one chance was in the first innings when with the bases full and only one out things looked good for a run or two, but the reliable pitching of "Jimmy" of the Nationals, took all the joy out of life for the Beavers as first one man and then the other bowed before his perfect twirling, and the large crowd of fans showed their applause at the remarkable and clever way in which Rowcliffe had pulled his team out of a hole. After this innings the Beavers seemed to wilt and only succeeded getting two men on bases. The Beavers had seven errors while the Nationals gave Rowcliffe their best support only having two errors. Martin for the Beavers turned in a

good game having nine strike outs to his credit. K. McMahon came across with his usual three bagger much to the enjoyment of his buddies, and just to show them how easy it was he hit a lovely two bagger the next time to bat. Rowcliffe and Snell also showed their "caveman" abilities with the club, both hitting two baggers.

The score by innings:—
