

SHUN THE QUACKS

Action has been taken in Detroit against a gang of alleged medical swindlers who are said to have made hundreds of thousands of dollars during the five years they have been in operation. The false hopes that such swindlers hold out to suffering men and women are beyond computation. They take hard-earned money without effecting a cure, and they make the heart sick by deferred hope. They play their victims along until their money, and sometimes health, is gone, and then unfeelingly cast them adrift. And not only this, they make their "patients" believe they are suffering from terrifying diseases and thus increase their misery and deplete their savings.

This damnable quackery will continue until all men learn to trust skilled physicians. In this lies their only safe course. If their ills are imaginary, their minds will be set right; if these are real, they will receive proper treatment and if at all possible, a cure will be effected. And the sufferer will not be throwing away his money as he does if he entrusts his case to the quack. If men only had half the faith in their own doctor that they have in some blatant quack, they would be richer and healthier.—St. Thomas Times Journal.

HONEYMOON TRIP ENDS IN TRAGEDY

Toronto Man Drowns Near Peterboro, Recently Spent Honeymoon at Bewdley
Robert Munroe, 71 Meighen Road, Toronto, an employee of the Ford motor plant, that city, was drowned in the Otonabee River shortly before noon Wednesday at Crawford's Grove, about two miles south of Peterboro. Munroe, who was a poor swimmer, had been floating on an automobile tube in the river, but he threw aside the tube and waded out into the boat channel, which is very near the shore at that point. He went down without a sound and never was seen to the surface. Munroe was married in Peterboro on Saturday. He and his wife came from Scotland recently. They had spent their honeymoon at Bewdley, on Rice Lake, and returned to the city Tuesday night, contemplating a return to Toronto. When Munroe went down, James and Ian Sutherland, who were swimming near by, had great difficulty in holding Mrs. Munroe from going to the aid of her husband. The body was recovered after being about forty-five minutes in the water. The pulmotor was called, but was of no avail in bringing back life.

EIGHT KILLED AT WELLAND CANAL

Structure of 350 Tons Crashes Down on Workmen at Welland Canal

A black day was written in the history of Welland Canal construction when the collapse of a crane sent a mammoth steel gate crashing into Lock No. 6 at 11.55 o'clock Wednesday morning, crushing the lives of eight workers and injuring twenty-two more.

Scores of workers toiling like bees in and around the vast honeycomb of the half-completed 350-ton gate were caught without a chance of escape when the crane which was lowering a massive steel beam collapsed, and falling against the gate sent it thundering to the floor of the lock, into which no water has yet has run.

Most of those killed were working either on top of the gate when it fell or else were perched on scaffolds about its sides, from which precarious positions they were hurled the full eighty feet to the bottom of the lock. The injuries sustained by the victims were terrible, those who were caught under the falling lock gate being crushed, in many cases, almost beyond recognition.

The men working inside the hollow gate escaped more slightly, but a number of them nevertheless met serious injury.

The scene immediately following the disaster—the worst in the history of the canal—was beyond adequate description. Dead and dying workers lay about among the littered mass of steel work, while from the interior of the fallen gate came the cries of those who had been caught in its collapse.

RAILWAYS ABLE TO HANDLE GRAIN

80,000 Cars Now in West Will Be Used to Transport Crop

There is no shortage of cars for handling this year's grain crop, the Railway Association of Canada announced Wednesday, but there was every possibility that the harvest will be the heaviest in years and all of the 80,000 cars now in Western Canada will probably be needed.

In order to aid the railways in the expeditious movement of the grain, an appeal has been made to coal dealers and consumers in the West to place their winter fuel orders immediately.

It is expected that the crop movement will commence from ten to four teen days earlier than usual, and once this traffic begins railways will not be able to divert cars to other purposes.

U. S. TOURISTS HEAR SAD NEWS

Indiana Tourists Located at Oshawa to be Informed Son Had Died

Rev. John M. Horne of Terra Haute, Indiana, for whom a search was made through radio broadcasting stations, by telephone and by police all over Ontario, was located in Oshawa late Tuesday afternoon by Oshawa police. Following his being identified Rev. Mr. Horne was instructed to telephone his sister in Washington, D.C., and after a nine minutes wait received the sad news that his only son had died.

The party were stricken with the sad news and prepared to return to their home in Terra Haute immediately. Before leaving, however, they thanked the Oshawa police for their kindness and the trouble they went to finding them.

POSTPONED

Auction sale of western horses, Mr. Duncan Logie will sell by public auction, at the Albion Hotel, Cobourg, on Tuesday, August 7th. A carload of western horses, ranging from two to five years, mostly Clydes, all halter broken. Terms—4 months' credit with interest at 6 per cent per annum. Sale at 1 o'clock. J. H. Wilson, Auctioneer.

Missing several days, G. A. Marshall, 70, found sleeping in old automobile near Mantua, N.J.

MASONIC PICNIC GRAND SUCCESS

Hon. J.S. Martin, Grand Master Was the Principle Speaker At Presqu'le Point

The second annual Masonic picnic at Presqu'le Point Wednesday afternoon was a success from every point of view and thousands of Masons together with their wives and families were in attendance. The event was under the Masonic districts of Ontario, Peterboro and Prince Edward. About one hundred representatives from Port Hope attended and the trip was made in private cars and in Lingard Bros. Transportation Coach.

Last year an event of similar nature was held at Presqu'le but the attendance was limited owing to the rain which fell intermittently through out the day. However, Wednesday morning weather conditions appeared none too bright but in the forenoon old Sol came out and perfect weather conditions prevailed through out the remainder of the day.

Presqu'le Point is one of the beauty spots of Ontario, comprising 1000 acres of wooded land with numerous open spaces with ideal picnic spots along the shores of the bay and lake.

W. Bro. A. G. Willoughby of Colborne was Chairman of the entire proceedings and welcomed the Masons and families. One of the features of the afternoon was the address by Hon. J. S. Martin, Minister of Agriculture in Ontario Government and Grand Master A.F. & A.M. Speeches were also made by other brethren.

Late in the afternoon the huge gathering sat around in groups to partake of the basket luncheon and the crowd, mingling with one another spent a most pleasant afternoon.

There was something doing every minute. The program included music by the Frankford Brass Band, golf, tennis, softball, dancing, boating, bathing, etc., and there were aeroplane flights throughout the afternoon. The refreshment booths were in charge of Ithel Walters of Port Hope and Mr. Lorg of Campbellford.

The Punch and Judy Show, conducted by Harvey Yeo, Port Hope's own ventriloquist, proved one of the highlights of the afternoon and furnished considerable amusement for the children.

The Port Hope softball team showed some class and emerged victors over Brighton 23-4. The local lineup included: Forrest Spicer, S. McCannell, Art Smith, Geo. Brockenshire, Fred R. O'Neill, Howard Hutchings, Roy Hunt, A. Smith and Cyril Brown.

R. W. Bro. O. L. Morrow presented a \$5 gold piece to the oldest Mason on the grounds reporting at the registration booth and the distinction went to Capt. VanAlstine of Trenton.

ITALIAN PRESS PRAISES CREW

Mussolini States That He Will Receive Full Reports of Entire Flight

General Umberto Nobile, Lieut. Alfred Viglieri and other army and navy officers who were members of the crew of the dirigible Italia will make detailed reports of their experiences in the Arctic disaster to their immediate superior. These in turn will be submitted to Premier Mussolini. The Premier announced that by this means he would make an investigation of the whole expedition.

The entire Italian press is dedicating whole pages to the return of Nobile. Enthusiastic editorials appear in their columns and these may be summed up in the words of the Popolo Romano, the Fascist organ which says, "General Nobile, misfortune made your heroism all the greater. All of Italy stands up for you and your superb brothers, for those who are dead and for those who are alive, for all the audacious, fire and great things you have done. "The greeting given you by the Roman people is an admonition to all cowards and renegades who are cursed because they are compelled to live outside Italy."

CHILD RECEIVES FATAL INJURIES

Collecting Milk Cans, Driver Backs Machine Over Girl's Head

Loretto, 15 months old daughter of Mr. and Mrs. Frank Moher, was instantly killed outside her parents' home about a mile south of Douro church, near Peterboro, at 9 o'clock Wednesday morning, when the wheels of a milk truck driven by Emeric Robinson, 18 year old, passed over her head.

Robinson was driving the truck, which belonged to Clare Chittick of Lakefield, collecting milk for the cheese factory. When he had loaded the cans he started to back up. The hind wheel passed over her head, and she was dead when picked up.

Coroner Dr. J. C. Smith and Constable Webster of Lakefield were called, and it is expected that an inquest will be held on Friday.

No one actually saw the accident. The boy was alone on the truck, and when he had loaded the cans he had to back up a little way to turn around. Mrs. Moher had gone upstairs for a moment, leaving her two children playing on the veranda. When she came down she saw the little one lying on the ground with her head crushed by the heavy vehicle.

IDA MAN WINS CROP CONTEST

Robert Armstrong's Fall Wheat Wins Standing Crop Award

Robert Armstrong of Ida won first place in the Fall Wheat Competition conducted by the Peterboro Industrial Exhibition. John E. Manley of Otonabee was second and A. Armstrong of Smith third. Others who qualified to compete in the competitions put on by Canadian National Exhibition and Central Canada Exhibition in Ottawa are R. C. Hanbridge, Ida; T. Brown, Douro; C. E. Moore, Smith and R. Garbutt, Smith. Three other farmers, J. Gordon Mann of Smith, D. McIntyre of Otonabee and R. E. Drummond of Otonabee were specially mentioned by Judge L. H. Winslow as receiving 85 points or over.

The competition was limited to paid up members of the Peterboro Industrial Exhibition and fields entered are supposed to be not more than 15 miles from its headquarters. The Peterboro Board of Directors is conducting two competitions, one in fall wheat and the other in oats.

AVOIDS COLLISION BUT HITS TREE

Driver Turner Into Tree on Queen Street to Miss Smashing Into Car

Shortly after six o'clock last evening Mr. M. Bamforth, formerly a resident of this town, was driving his Pontiac sedan north on Queen Street when a Ford driven by Mr. Cook, Mill Street, drew out from Merritt St. and to avoid colliding with Mr. Cook he turned into a tree at the south east corner of the Post Office. The car was badly damaged and the driver suffered to some extent. He struck the tree fair in the centre so that the front end of his car is practically demolished.

BAND WILL PLAY AT BOWMANVILLE

Port Hope Band to Present Program at Bowmanville Garden Party on Civic Holiday

The Port Hope Band under the direction of Bandmaster Walter Fraser will present a musical program at the Garden Party in Bowmanville on Monday evening, August 6th under the auspices of the 6th Catholic Church there.

The program will be given from 8-10 p.m. daylight saving time. Supply of baby chicks throughout Pennsylvania is 61,000 less than demand this year.

FIVE RUNS IN FIFTH INNINGS GIVE LOCALS TIE

Port Hope-Oshawa Game Results in Tie When Darkness Halts Game

Port Hope and Oshawa played another tie game at the town park Wednesday afternoon when darkness halted the fixture in the seventh innings when the count read six all. Some good baseball was injected in spots but on the whole it was a fair exhibition of the summer pastime.

Richards started on the mound for the locals but was relieved by Wakeley and the former then occupied right field. Oshawa coralled seven hits and every player on the opposition secured one safety with the exception of Elliott and Broad. The homesters accumulated six hits in the seven frames with Micks and Graham leading the parade with two apiece. Lycett and Wakely bagged the other two.

Port Hope was held scoreless in the first half and in the last of the initial frame, the Motor City crew ran in five runs. Richards, who started twirling, walked Creamer, the first man up, and Little's roller was too wide to enable an attempted out on Creamer at second. Kellar bagged a hit and Elliott did likewise. Kellar was retired on Jack Carter's fielder's choice. Little scored on Elliott's clout and Carter advanced when Lycett fumbled Elliott's roller. Petrie came through with a single scoring two more and bringing Oshawa's total up to five.

The Ontario's were blanked in the second and third as well while the visitors ran in another in the third frame and in the fourth the local crew shoved across their first run. Lycett secured a life on an error and was promptly advanced by C. Graham's neat sacrifice. Joe Micks came through with a timely single sending Lycett across the plate with the first run.

Port Hope's big innings came in the 5th, Richards fanned. Wakeley, Lycett, Graham and Micks singled in succession. Mitchell was hit by a pitched ball and Haskill stroled on four wide ones. Devine was safe on an error, and Richards up for the second time hoisted out a hit, and when the smoke had cleared away, the homesters had scored five runs, tying the count. In the eventful fifth session, Joe Micks injected a thrill into the game by stealing home. Micks got a good start from third while Petrie was making a wind up and completed a nice steal.

Port Hope threatened in the sixth when three men on but one was caught off third and ran down but the two following batters skied out to left field and centre field.

In the lucky seventh which by the way, did not prove lucky for Oshawa, Little sneezed and went down to second too quickly for Port Hope to get him on Kellar's fielder's choice. On Elliott's roller Micks made a spectacular play to nip Kellar at the plate and with two down and three on bases it looked anything but good. Gover bounced a fast roller between first and second but Micks again came into the limelight when he raced over and retired the runner at first for the third out.

As darkness was falling rapidly it was impossible to continue.

A LIFE-LONG RESIDENT DIED

Hamilton Township Lost Valued Citizen in Passing of John Wilson

A valued and highly respected citizen of Hamilton Township in the person of the late John Wilson was laid to rest in Bewdley Cemetery on Tuesday with a host of friends present to pay their last respects to the departed.

The late Mr. Wilson was the son of the late Mr. and Mrs. Joseph Wilson and was born on August 2, 1850, at Bewdley where he lived the earlier part of his life.

In 1872 he married Mary Taylor, also of Bewdley, and to this happy union were born four children all of whom survive him.

The first years of his business career were spent as a bridge contractor and then he purchased the farm in Hamilton Twp., which he worked until he retired six years ago when he built a bungalow on the farm in which he has since resided.

In religion he was a Presbyterian, in politics a staunch conservative and took a great interest in politics.

In all the years of his life he never knew a days illness until he suffered a stroke on September 1st last year. Although he never really rallied he was able to get around again and take an interest in all that was going on; but on Wednesday last he took another stroke and gradually failed until he passed away on Saturday night.

Deceased was a loyal orangeman, the oldest member of Bewdley Lodge 149, and through his proficiency had won the degree of a Black Knight. The funeral was held under the auspices of the Bewdley Lodge and members of the Garden Hill, Coldsprings and Bailieboro Lodges attended. The ministers in charge of the funeral services were Rev. R. Barbour and Rev. J. M. Crissall of Gore's Landing. The following gentlemen acted as pall bearers: Messrs Wm. Dixon, Elmer Sidey, George Ward, Norman Waldon, Earrest Blanchard and Wm Watt. The many beautiful floral tributes and the very large number who attended the funeral showed the high respect in which the late Mr. Wilson was held.

Mr. Wilson was one who was loved by all, having a most genial disposition. He was a nation builder. A man who through his industry and character set a fine example for his sons and all those who came in contact with him.

Besides his wife there remain to mourn his loss two sons, Melville and Fred, farming in Hamilton Township; two daughters, Mrs. Norman Waldon, Gore's Landing; Mrs. Geo. Ward, Ellen St., Port Hope; and two sisters, Mrs. John Coates, Midland, and Mrs. Richard Northcutt, Grana Rapids, Mich., to whom the Guide and their wide circle of friends extend sincere sympathy.

the runner at first for the third out.

As darkness was falling rapidly it was impossible to continue.

BAILEBORO

One of the week-end visitors at Hibbard's boat livery was successful in landing a 23 1/2 pound maskinonge on Sunday morning.

The raspberries and cherries are a bountiful crop in this vicinity this season, probably owing to the frequent rainfall.

In some of the damp farming districts in this vicinity the rust has struck the oat crop very heavily. The oats, although not yet filled, are going down badly when the straw breaks with the rust. On the highlands the rust is not yet visible.

The recent rains have held the farmers back a great deal with their haying and harvest. The majority of the alsike is now cut and the fall wheat crop is being cut.

Miss Edna Dawson, nurse-in-training at Ross Memorial Hospital, Lindsay, is the guest of her brother, Mr. Frank Dawson.

The Misses L. Kercher and L. Barnard and Messrs. G. and W. Nedler, of Toronto, were visitors at the home of Mr. and Mrs. W. H. Barnard on Sunday.

Mr. and Mrs. D. Armstrong, of Toronto, are the guests of Mrs. D. Armstrong.

Mr. and Mrs. D. W. Moncrief, of Fraserville, were the guests of Mr. and Mrs. James Falls last week.

Mr. and Mrs. W. E. Thompson and son, Billie, of Peterboro, were weekend guests of Mr. and Mrs. W. Barnard.

Forest Fire Situation Improved

Reports submitted by field officers of the Forest Service, Department of the Interior, show the season of 1927 to have been unusually favourable in regard to forest fires. Six hundred and sixty-one fires occurred on Dominion lands in Alberta, Saskatchewan and Manitoba, protected by the Forest Service during the season mentioned, as compared with 1,398 fires in 1926, 1,165 in 1925, and 1,487 fires in 1924. The area of merchantable timber burned over was 98,207 acres in 1927, as compared with 413,226 acres in 1926 (the worst fire season on record for many years), 126,970 acres in 1925 and 239,320 acres in 1924.

Spectacular freight train wreck near Guernsey, Wyo., killed eight unidentified men.

Holding up State Savings bank at Reese, Mich., lone bandit, unmasked, got away with \$1897.

Kerchiefs Are Smart For Juniors, Too!

This young lady's frock is proof that grown-ups are not the only ones who can wear the kerchief scarf collar to advantage. It adds just that little touch of sophistication and smartness that is so delightful to the Junior miss who is convinced that her vast experience and knowledge entitles her to wear grown-up styles. This little dress has an added comfort in the fact that it is really a one-piece slip-over while it has the chic appearance of a two-piece frock. Clusters of knife pleats on each side of the skirt give ample room for early morning dashes to school or any of the sports that summer vacation brings forth. Tucks at the shoulders and deep cuffs complete a charming frock that can be made of sheer voile, crepe de Chine, cotton prints or linen. (Copyright, 1928, by Butterick)

Tourists Pleased With Catches at Rice Lake

Fishing parties returning from Rice Lake report that fishing for lunge, pickerel and bass have been the best of the season during the past two weeks. One well known resident has landed eighteen lunge within the past three weeks.

The lunge are providing fine sport and one Cobourg fisherman has landed several fine specimens weighing between 12 and 15 pounds.

The majority of tourists are enthused over the results of their outing and are putting in a good word for Rice Lake as they travel on.

Carter Cronstad, Chicago cab driver, lost night's sleep, pistol in hand, guarding bag of jewels worth \$25,000 found in his taxi.

Richard Dix in the
Paramount Picture
"Shanghai Bound."

At the Royal Theatre tonight, tomorrow and Saturday, Richard Dix one of the leaders in screen popularity, will be seen in his melodramatic success, "Shanghai Bound," a thrilling story of adventure in modern China. The star is cast a dare-devil freighter captain, while Mary Brian has the opposite role in a story that is not without its romantic side. A selected comedy and the fine new serial round out a program sure to please.

PRaises TRAFFIC Cops

Cobourg Editor Opines That
They Have Kept Down
Speeding There

Cobourg Sentinel Star has a good word to say for traffic officers.

During the past month, due to the presence of a traffic officer being on duty in the town, the number of cases of speeders has very materially lessened. If the traffic officer's presence keeps down speeding in town he will more than earn his salary, as it is speeding through the town that causes fatalities.

GOOD SUGGESTION

There is room for more good pictures depicting farm life, not caricaturing it to please the smart alecks who regard the farmer as a "rube" and a "hayseed." Most city people enjoy a visit to the country. The picture theatres could give at least part of the pleasure by throwing on the screen the plowing, the sowing, the harvest and the threshing, the fruit trees in blossom and when laden with delicious and health-giving food. Any intelligent writer could construct a simple play with the farm for the environment.—London Advertiser.

AUGUST 2, 1908

A Jolly Outing

The little park at Bewdley was the scene of a merry gathering today when the Young People's Union of the Baptist Church, Port Hope, held their annual picnic. A jolly time was spent in games and boating.

10,800 MEN ARE COMING

Harvesters Are Coming From
Great Britain This Year

Arrangements have been finally concluded for 10,000 men to go from Britain to Canada to assist in this year's harvest, stated Rt. Hon. L. C. M. S. Amery, Secretary for the Dominion, in the House of Commons.

The Dominion Government especially wishes that the men be recruited from mining areas and the British Government would carry out these wishes, the minister said. He concluded amid cheers, "The British Government is greatly indebted to the Canadian Government for the readiness with which they co-operated in this arrangement."

TRAFFIC COURT

Curtis Gartshore of Toronto donated \$5 and costs to Magistrate W. A. F. Campbell in traffic court for speeding across intersections in Port Hope while the Dominion Road Machinery Co., of Goderich, was fined for a similar offence.

VAST TREASURE HOUSE

And Canadians have much to be proud of in this country of theirs. It is a vast treasure-house which has not yet been even tapped so rich are its resources. It is short of population but that is a matter which is being remedied the slowly and perhaps all the better for that since it seems to indicate that a better quality of immigrant is being obtained.

But outside of the mere shortage of people Canada can hold her head among the nations with pride and assurance that her claims will be recognized. She is one of the leading nations of the world and today wields a tremendous influence in the world. Within her boundaries she has all the requisites of a world power. Let all Canada keep that proud fact in their minds and do their part towards making that dream come true.—Lindsay Post.

Abattoir hogs16.00 to 17.00
Mutton cwt8.00 to 14.00
do medium6.00 to 12.00

The Oil of the People—Many oils have come and gone, but Dr. Thomas' Electric Oil continues to maintain its position and increase its sphere of usefulness each year. Its sterling qualities have brought it to the front and kept it there, and it can truly be called the oil of the people. Thousands have benefited by it and would use no other preparation.

Edward Morris, 62, blind since birth, died at Potstown, Pa., from injuries sustained falling out of bed.

Muscular Rheumatism Subdued.—When one is a sufferer from muscular rheumatism he cannot do better than to have the region rubbed with Dr. Thomas' Electric Oil. Let the rubbing be brisk and continue until ease is effected. There is more virtue in a bottle of it than can be fully estimated.

TITLE habitant children, driving their dog-drawn carts on the uplands overlooking the broad St. Lawrence River, point to the Saguenay Boat. To them it stands for all the romance and mystery of the great world. To travellers on board ship these little native lads with their strange conveyance, these pink and blue gabled-roof cottages, wayside shrines, outdoor bake ovens, spinning wheels and home-made looms, with the patter of the French tongue everywhere — these are things of interest and charm.

Canada Steamship Lines' luxurious vessels ply the waters of the St. Lawrence River, from the Great Lakes to where it is joined by the distant Saguenay; nearly a thousand miles of surpassing beauty.

There are short trips and long, to fit every vacation purse. For example, the eight-day trip from Toronto to the Saguenay and return, including numerous landings, costs \$110.

For further information, rates and reservations, apply to
J. R. BECK, D. P. A. 46 Yonge St., Toronto, Ont.
or your local agent

"SALADA" TEA

Infinite pains—hours of study and thought to every small particular—the most carefully trained tea organization in the world, buying the best teas, blending most skillfully—packing the best way. So is "SALADA'S" delicious flavour guarded.

THE GUIDE STORY

(Continued from yesterday.)

Louis had a piece of candle in his pocket. He crept in at the window, lighted his candle, and found himself standing in a passage evidently at the back of the gallery of the theater. The place smelled horribly of smoke, and there was a dreadful, suffocating, poisonous odor of escap-

ed gas. Yonder man lay stone-dead on the ground. It was useless to waste time on one who had gone beyond the reach of human help, when perhaps a few steps further on the brave Louis might find some helpless dying creature to rescue; so he rushed along the gallery to the head of the stairs. There the dense smoke checked him and drove him back. It was not

THE HIGHWAYS OF BUYING

"Follow the highway markings and you can't go wrong." That's the advice the Automobile Club gives you before starting on a motor trip. You follow the well-known, well-marked roads. And you reach your destination the safest, most comfortable way.

Why not follow the same rule in your shopping? Why not stick to the "highways of buying?" They have been just as carefully plotted and are just as carefully marked as the great motor roads you've come to depend on. Marked by the trade-marks of reliable, advertised products.

The next time you go shopping follow these "highways." Before you start, look through the advertisements in these columns. Pick out the products you want. Notice the names and trade marks that identify them. And then ask for them by name.

The advertisements are the sign-posts to guide you to the best merchandise.

in human power to go down into that atmosphere and remain alive or keep one's senses.

He turned back in despair. What had he come for? Was there nobody to save?

He went to the gallery; the doors were open, and looking in, he saw the whole of the interior of the theater beneath in the lurid glare of fire, only the flames had not yet caught the gallery.

Was anybody in the seats? The smoke was not quite so dense here, and he looked about right and left and saw nobody. Stay! was there not somebody at the further end of the bench?

Louis ran to the spot, and found an elderly man with a scared and stupefied face, who stared at him blankly, and muttered:

"Only a pitiful fifty pounds, to hold my tongue; and I have lost my hope of heaven for that!"

"You are English," said Louis. "Come, take courage! There is a fire escape. Come—come!"

But the old man, paralyzed by terror, only stared helplessly at his would-be deliverer.

"I mustn't stir," he whispered. "Don't you know when there's a fire in a theater they always tell you to sit still? The others went out and got smothered on the staircase."

Louis felt something that he fancied like the sickness of death. "Come," he said, laying hold of the old man with all his young strength, "don't you know that in four minutes those flames below will have caught this floor where we stand, and we shall tumble below into the fire? Come, I will save you!"

And he pulled the man to his feet by main force. "Follow me, for death is at our heels!" he almost hissed; "and I haven't the power to carry you. Follow me. You are heavier than I am, and almost as strong."

The man then followed him pretty swiftly, holding down his head and uttering moaning cries.

They came out to the passage. Louis still carried his piece of candle and they passed close by the body of the dead man.

"Suppose he is not dead," thought Louis; and we went up close to him with the light.

Ah! the unutterable terror of the sight! That face was brutal, ferocious,

horrible in death! Close to the clinched hand, from which it had dropped, lay a leathern case.

Mechanically Louis took it in his hand. It might have weighed half a pound, and he put it into his coat-pocket. It was the property of some body who might demand it by advertisement.

He had a dim idea that it was stuffed with papers and documents and so he got the man to the window and induced him, by means of encouraging words, to step upon the fire-escape ladder and descend.

He watched him alight in safety in the street, and then he himself came rapidly down.

He was greeted with cheers. The man whose life he had saved kept close to him, piteously whispering:

"Oh, this crowd—this awful French crowd! They'll trample me to death!"

Louis told him to command himself, and, addressing some of the crowd, he entreated them to make a way for the old man; and this was managed somehow, he never knew how.

All his own energies were now directed to the object of rescuing others, if that were possible.

It seemed that at the back entrance to the theater some escapes had been made. The actors and actresses and super-numeraries had contrived to find their way to the narrow lane in the rear. Most of these were in motley garb, and some half dressed and even without shoes.

Surprised in the midst of changing their clothes, these unfortunates had rushed pell-mell into the streets; and, horrible at it seems to have to report it of a portion of the civilized population of the Queen City of Europe, jeers and taunts greeted the shivering, panic-stricken creatures drive out into the bitter night air by the fear of a terrible death.

(To be continued.)

BASEBALL

Take Two

That Montreal invasion of Leaf Stadium which earlier in the week threatened to tumble the O'Hara help off the lofty ramps of first place in the league standing, was ambushed neatly yesterday by Toronto's crippled team and when the casualties were counted the Royals had suffered a double defeat, the Leafs taking the first game 10 to 4 and the shorter contest by 2 to 1.

42nd Homer

Babe Ruth started the scoring with his 42nd home run the first inning of New York-St. Louis game yesterday. Alvin Crowder was pitching and no one was on base. Ruth's drive placed him 23 games, 27 days and 8 home runs ahead of his 1927 record.

Belleville Trims Kingston For 10th Straight Win

Belleville continued their winning streak by defeating Kingston at the Belleville Fair grounds by a score of 17 to 3. This was the tenth straight victory and assures them of first place in the league. "Hot" Gibson turned in his tenth win of the season. He restricted the visitors to 8 hits but eased up when his team mates ran up a big score. Some heavy hitting was done by the winners they having a homer, three triples and two doubles. Deal Cherry got a double for Kingston. The feature play of the game was a one handed catch of a foul by Stone the Kingston first sacker.

TO PURE ADAM'S ALE

Here's now to that blessing, for poor and for wealthy,

The friend of the gallant, the sturdy or frail!

The finest for drinking, e'er quaffed by the drouthy,

Has ne'er been another than pure Adam's Ale.

When all of the praises for Champagne, so costly,

In time that's forthcoming shall weaken and pale,

All wise will be doffing their hats to do honor

To founts that are brimming with pure Adam's Ale.

Our eyes and our noses old Brandy can redden;

The strength of our vitals strong Rum can assail,

But greatest in body, in brain and in spirit

Are they who are drinkers of pure Adam's Ale;

So while on the billows of life's stormy ocean,

With all of their dangers, we mortals must sail,

'Tis best to be shying the tides of the whiskey,

With thanks to our Maker for pure Adam's Ale.

When life shall have ended, with all of its struggles,

And ne'er a temptation their souls shall assail,

The saints on the uplands, 'midst rap tures unmeasured,

Shall drink from the rivers of pure Adam's Ale.

Now, here's to good water, supplied us in plenty,

By fountains emerging from hill-side and dale!

So, while of life's pathway, oft weary and thirsty,

Let's fill up our glasses with pure Adam's Ale!

Park Animals are Fearless

Wild life conservation measures adopted and enforced in the National Parks of Canada have resulted in the wild creatures losing much of their fear of man. It is no uncommon occurrence to encounter wild deer on the streets of Banff townsite, in Rocky Mountains park, Alberta, while Rocky Mountain sheep gaze alongside certain sections of the park highways, undisturbed by the passing motor traffic.

To Complete Study of Arctic Flora

Dr. M. O. Malte, botanist of the National Herbarium, Ottawa, is carrying on investigations in the regions around Hudson Bay and Hudson Strait. He will collect botanical material and study northern plants in preparation for a comprehensive work on the flora of Arctic Canada. Dr. Malte visited posts in the Arctic archipelago with last year's Canadian Government expedition and this summer's investigations are intended to confirm observations made in 1927.

WORD OF GOD

SOUL FEAR—The wicked flee when no man pursueth; but the righteous are bold as a lion.—Prov. 28: 1.

PRAYER—True, Lord, for "Conscience makes cowards of us all."

SEALED tenders addressed to the undersigned, and endorsed "Tender for Repairs to Breakwaters, Port Colborne, Ont.," will be received until 12 o'clock, noon (daylight, saving.) Wednesday, August 15th, 1928, for the repairs to the Western and Eastern breakwaters, at Port Colborne, Welland County, Ont.

Plans and form of contract can be seen and specification and forms of tenders obtained at this Department, at the offices of the District Engineers, Customs Building, London, Ont.; Equity Building, Toronto, Ont.; also at the Toronto Builders Exchange and Construction Industries, 1104 Bay street, Toronto, Ont. and at the Post Office, Port Colborne, Ont.

Tenders will not be considered unless made on printed forms supplied by the Department and in accordance with the conditions therein.

Each tender must be accompanied by an accepted cheque on a chartered bank, payable to the order of the Minister of Public Works, equal to 10 per cent of the amount of the tender. Bonds of the Dominion of Canada and bonds of the Canadian National Railway Company will also be accepted as security, or bonds and a cheque if required to make up an odd amount.

Note—Blue prints can be obtained at this Department by depositing an accepted cheque for the sum of \$25, payable to the order of the Minister of Public Works, which will be returned if the intending bidder submit a regular bid.

By order,
S. E. O'BRIEN,
Secretary,
Department of Public Works,
Ottawa, July 25, 1928.

THE EVENING GUIDE
Geo. Wilson & Son, Publishers
Office of Publication
WALTON ST. PORT HOPE

POLICE COURT

Wm. Wilson of Port Hope re-appeared in Police Court here this afternoon before Magistrate W. A. F. Campbell facing two charges, (1) intoxication and (2) by assaulting Chief T. Murphy with intent to resist his lawful apprehension, contrary to section 296 (c) of the Criminal Code.

Accused was represented by A. L. Elliott of the firm Messrs Gordon & Elliott of Peterboro and Crown Attorney W. F. Kerr, K. C. of Cobourg acted for the Crown.

There was a large attendance in the gallery at the opening of the court.

After the charge "that on July 30th he was intoxicated in a public place, Walton street" was read, a plea of "guilty" was entered by A. L. Elliott, counsel for the accused. Counsel related that his client had never been in court before and as it was his first offence asked for leniency.

"It used to be dog fights that brought people into court" added the Bench "but now automobiles are involved in nearly every case."

A fine of \$31 with \$7 costs was imposed on the intoxication case while the second charge was not pressed.

Chas. Defoe of Port Hope, was fined \$10 and costs for disorderly conduct by Magistrate W. A. F. Campbell. The offence occurred on July 27th in a building adjacent to Walton st.

PERSONAL

Miss Gwendolyn Bailey has returned to Toronto after spending two weeks' vacation at the home of Mr. and Mrs. C. W. Connop, King street.

Mr. and Mrs. Marshall Myell and children, of Live Oak, Florida, with Mrs. W. Stewart of Detroit, accompanied Mrs. J. H. Mulholland and children of Toronto and visited Mr. and Mrs. A. Walsh, Barrett's Terrace on Wednesday.

Miss Dorothy Whetstone, nurse-in-training, Grant MacDonald Hospital, Toronto, has returned to her duties after spending her vacation under the parental roof.

W. J. Palen of Toronto, has returned after visiting his uncle and aunt, Mr. and Mrs. Joseph Smith, Durham St.

Mrs. A. Harper of New York, is visiting Mrs. J. N. Ford, at the home of her mother, Mrs. Lawson, Bramley Street, before leaving for Austin, Texas.

Hon. J. S. Martin, Grand Master of A. F. & A. M., of Ontario, while on his way to attend the Masonic Picnic at Presqu'ile Point yesterday, had luncheon with Mr. and Mrs. C. Massie, Ridout street.

Falling from bedroom window to street Marion Borton, aged 2, escaped with slight hurts in Philadelphia.

HEARD ON THE STREET

A week from today the annual Rotary Carnival is on!

When the Rotary Club puts on their big night we all have one grand and glorious time. Plans for the affair this year indicate one of the best night's ever.

The War Veterans will join the Oddfellows in their annual pilgrimage to the graves of their deceased comrades, Sunday afternoon to do honour to the memory of the "van guard who have gone on ahead."

H. Z. Dorg, North Monaghan township, appears to be specializing this year in the growing of Prince Edward Island cobbles, and his potato field presents a fine appearance. He has eighteen acres of these potatoes now in full bloom. Mr. Dorg has altogether thirty-three acres of potatoes, New Brunswick cobbles being another specialty. Over three hundred bags of seed potatoes were required for planting.

Slipping from the top of a coal car in the yards of the Peterboro Lumber Company Wednesday morning, Carl Butcher, 315 Burnham street, fell in front of the wheels and had his leg so badly crushed that amputation above the knee was necessary.

Crashing into an elm tree Wednesday morning, about five miles from the village of Haliburton, saved the life of Thomas Bolton, since it prevented his car going over a 40-foot embankment. He escaped with injuries to the face and jawbone. The accident occurred when he was going down Leaton's Hill, one of the worst in the vicinity. He lost control of the car.

The tug Aurelia arrived here today with the dredge Menesetung of the Weddell Dredging Co., of Trenton and a scow. They will start to dredge the harbor within the next few days.

Evon Yanch, 10 year old daughter of Mr. and Mrs. Joseph Yanch, of Plinton, near Kingston, was accidentally shot through the eyes by a student at her father's store Tuesday. The student did not know the gun was loaded and a small shot went through a screen hitting the young girl, who was rushed to Tweed for medical attention. It is feared the sight of an eye is gone.

A large number of interested members and friends of Simcoe Street United Church, Oshawa, attended the garden party Tuesday afternoon and evening on the lawn of Mr. and Mrs. W. B. Rundle, 109 Park road south. The social was held under the auspices of Mrs. Rundle's group of the Ladies' Aid of the church, and a considerable sum of money was raised to be used in the work of the Ladies' Aid. The guests were received by Miss Mamie Stephenson and Mrs. Fred Daniels, while Mr. W. B. Rundle read the address of welcome. Mr. Andrew Murdoch acted as chairman and Rev. E. C. Harston, new pastor of Simcoe street United Church, gave a brief address. Mrs. Rundle referred to above is a daughter of Mrs. W. Smith, Hope street.

Douglas Graham, aged 18, and Anthony Rooney, aged 17, both of Ottawa, were arrested early Wednesday with a stolen car in their possession. The youths gave the police a merry chase through Belleville before the arrest was made. The boys, police say, admitted stealing the car in Hamilton. Three sets of markers were found in the car. The boys were charged with vagrancy and remanded for a week. A charge of breaking and entering and theft of goods from Sharpe's service station at Deseronto will be laid at the end of the week's remand. A police officer will take them to Hamilton to face a charge of theft of an automobile.

The Joy of Life
Two dentists who happened to be travelling north on the same train discovered they were of the same profession.
Immediately their conversation turned to "shop."
"You know, old man," said the first, "I have mastered the art of being gentle. I've got gentleness down to such a fine point that my patients fall asleep while I'm pulling out their teeth."
"Oh, that's nothing," retorted the other. "My patients always arrange for their photos to be taken when I operate, because that's the only time they have such a pleasant expression."

DECORATION DAY

The members of Durham Lodge, No 78, I. O. O. F., and all visiting brethren are requested to attend at the lodge room on Sunday next, Aug. 5th, at 2.30 for the purpose of assisting in decorating the graves of their departed brethren at the Union and Welcome cemeteries.

The list of graves is a large one and it will need every Oddfellow who can possibly attend to successfully carry out the ceremony. The brethren will please bring one or more bouquets of flowers.
A. W. Fisher, H. H. Wilkinsorf, Noble Grand Rec. Sec.

NOTICE

All war veterans are invited to attend the Decoration Day services at the Port Hope Union Cemetery and Welcome Cemetery held under I. O. O. F. Auspices. You are expected to fall in at the Legion's rooms at 2.30 p.m. next Sunday afternoon.
