## BEN OLVER & CO. THE PORT HOPE CLOTHING HOUSE

In Memory of Wilfrid McMahon Drowned Aug. 2nd, 1911

So young! so fair! so swift the sudden calling.  
A child, and dead!  
Ah, wonder not the bitter tears are falling  
O'er his dear head.

Sealed lips! dim eyes! no cheery word of greeting  
For loved ones nigh;  
But out beyond the stars he waits the meeting  
With God on high.

So sleep, beloved, in hope of glad awaking  
With Christ above.  
In peace to rest, the prayer thine own are making  
Through tears of love—

Thy will, not ours; we bow to Thy decision  
O Meek and Mild!  
Sweet Jesus, grant, we pray, Thy blessed vision  
To our dear child.

LUMBER AND WOOD SALE.—There will be sold on Saturday, August 5, at 2 o'clock, on the lot back of J. B. Gould's residence a quantity of square timber, two inch plank, inch lumber, scantling, window frames, doors, and about ten load of firewood. J. H. WILSON, Auc.

## THE BIG EVENT

Don't Miss This Celebration—An Enjoyable Program Prepared

Next Wednesday, Aug. 9th, will be the day of days, the Firemen's Tournament and Musical Festival. The program will be one of the best ever given in Port Hope and all who attend are assured of a pleasant day. The central attraction will be the hose reel race and four teams from the east are out hot for this,—Napanee, Deseronto, Trenton, and Cobourg. The prize is a silver cup valued at \$200, now on exhibition in Mr. Jennings' window, and cash of \$100; 2nd \$50; 3rd \$25.

The rules governing the race are as follows:  
No less than 15 nor more than 17 men to each company, dry run, standing start, each team to be allowed one trial, cart to carry 250 feet hose in 50 foot lengths, distance 200 yards run, 400 feet to hydrant, attach and lay one line of hose 200 feet from hydrant, break coupling and put on pipe, pipe and coupling to be eight threads to the inch, with at least three full threads to the coupling, to be screwed up to the shoulder or washer ready for water, time to be taken from start till the pipe drops to the ground, and within 25 feet to the finish line; if the pipe drops more than 25 feet from finish line, a penalty of one-quarter second for each three feet in excess shall be added to the time; if the couplers touch the pipe or coupling after dropping same, it shall be declared foul and no time shall be allowed.

The succeeding company must be on trap ready to start within 15 minutes after the company preceding them have finished, or lose their place.

The Musical Festival at the Tournament will be another big attraction. During the afternoon each band will play three numbers on the hill, and at 4.15 the bands will mass and give the following program:—"Our Colonial," "New Director," "In Old Quebec," "United Empire," "Abide With Me."

And all this time there will be a red hot battle between three or four baseball teams for which a purse of \$75.00 is offered.

There will also be a host of foot races and a tug of war between the visiting brigades.

Don't miss this event.

### CORRESPONDENCE.

We do not hold ourselves responsible for the opinions expressed by our correspondents.

To the Editor of THE GUIDE:

DEAR SIR,—My name has been brought before the public in a most contemptible and libellous manner by a special despatch from Port Hope to a morning paper in Toronto, in which it was stated that a mandate had been given by me about three or four years ago "That no more money should be expended by the Government on the Port Hope Harbor."

My answer is that during the period of this fictitious "ban", covering the lost three or four years, there has been expended over \$40,000.

If our citizens generally knew of the time and money expended by me in using every possible means to have our harbor improved, they would resent such baseless personal insinuations.

The money expended shows in what way my energies have been

directed, and further, I expect that in a short time the Government will assume the harbor itself.

It is just such personal attacks as these which cause many to get disgusted with public life, after spending money, time and influence for the benefit of all and being repaid by such scandalous misrepresentation.

It is only fair to state that the Toronto paper referred to published my denunciation of their Port Hope correspondent's despatch.

Yours truly,  
L. B. POWERS.

[In addition to Dr. Powers' services in the interest of Port Hope with the Government, we would remind the people of what he did as Medical Health Officer. Those who had the construction of the Water Works were determined to put an intake pipe a short distance into the lake, and Dr. Powers opposed it, tooth and nail. The Guide has reason to remember this, for we were threatened with a libel suit for advocating pure, clean water and backing Dr. Powers in his effort. More than this Dr. Powers never received a cent of salary for his services for the fifteen years he held the position.—Ed. GUIDE.

### Was It "A Shabby Deal For Port Hope?"

The following figures clearly show how untrue, unkind and malicious was the attack made recently by the Port Hope special correspondent in the "Mail and Empire" against the Liberal Government and Dr. Powers under the flaring headline, "A shabby deal for Port Hope." The amounts expended on the Port Hope harbor by the Dominion Government during the last three years, during which time the wonderful "Mandate" was supposed to be in force were as follows:

For dredging... \$24,757 59  
For construction... 10,500 00  
For repairs... 6,293 35

Total \$41,550 94

Which was more liberal treatment by the Liberal Government than some of our over critical citizens might have expected.

It may be of equal interest to the public to compare the amount expended on our harbor by the present Government during the last 10 years with the amount expended by the Conservative Government for the 10 years previous to their defeat.

Amt expended by Sir Wilfred's gov. during last ten years... \$77,759 11

Amt expended by Conservative gov. during their last 10 years... 38,410 33

or in other words the present Government has expended more than twice as much as the Conservatives.

Surely the special correspondent was ill informed and badly advised, and owes our respected citizen, Dr. Powers, an apology.

FOR A NEW PARK—The subscription list for the new park has been opened at Mr. G. V. Strongs store. Our public spirited citizen Mr. H. T. Bush has started the list with the handsome donation of \$200.00

A TROUBLESOME MISGIVING

(Continued from Saturday)

Why? You know very well that you could never even have been friendly with the man who wrote that thing in the review. But here is the proof how much better it is to behave truthfully!

Sidwell scarcely withheld herself from bending forward and giving him her hand. 'What shall you do?' she asked. 'Oh, I am not afraid. I have still enough money left to support me until I can find some occupation of the old kind.'

Y. M. C. A. CAMP

Endersby Made a Record Run and Will Enter Races at Firemen's Tournament

Something has happened in the sleepy little town of Bewdley at the head of Rice Lake and the inhabitants are somewhat alarmed. Nineteen boys from the Y.M.C.A. Port Hope, are encamped in Mrs. Ruttan's grove, and already have made the night hideous with their yells.

WHY DON'T YOU?

Some things there are you cannot do, For which you weren't intended; But there are paths you might pursue, Up which you've never wended.

THRILLING EXPERIENCE

Of a Port Hope Boy on The Cruiser Niobe.

Mr. Frank Endersby, who was on the cruiser Niobe which has been experiencing such a perilous time, writes the following interesting letter to Mrs. W. Williamson, Mill street:

Clark's Harbor, Cape Sable, July, 20, '11. Mrs. W. Williamson, Port Hope, Ont.: Dear Mrs. Williamson,—I received your letter, but it had gone to England and returned. We have had some exciting times since we came back.

Terrible Effect of Cigarette Smoking

"You smoke thirty cigarettes a day?" "Yes, on the average." "You don't blame them for your run down condition?" "Not in the least. I blame my hard work."

FROM CITY TO CITY

Aviators Race From Hamilton to Toronto.

MADE IT IN 32 MINUTES

For the First Time in the History of Aviation in America Two Men Compete in Interurban Flight—Both Finish Without Accident—No-vice Comes to Grief in Trying the Machine in Donlands.

Toronto, Aug. 3.—This city saw the successful finish of the first city to city aeroplane race that has ever been held on the American continent, last night, when J. A. McCurdy completed a flight of fifty miles, landing at the foot of the Cherry street bridge on Fisherman's Island, 32 minutes after leaving the Hamilton aviation field, four miles west of that city and Charles Willard, Mr. McCurdy's partner in the McCurdy-Willard Aeroplane Co., landed safely in Exhibition Park at 6.45 o'clock, having left the Hamilton field 13 minutes in advance of Mr. McCurdy.

J. A. McCURDY.

The men had intended landing at Donlands, where the big meet opens this evening, but when they approached Toronto flying over the lake, they saw that it would be impossible to cross the city, as nothing could be seen through the dense clouds of smoke and haze which hung over it like a cloud.

Extra Early Wheat.

Brandon, Man., Aug. 3.—Unless there is something freakish about the growth of the new unnamed variety of wheat just cut at the experimental farm, farmers will undoubtedly be much interested in this grain. This new variety of wheat was seen at the experimental farm in April and was cut on July 31, so that there are only ninety-four or ninety-five days between seeding and cutting.

DAY'S DROWNINGS

Four Fatalities Reported in Montreal Harbor.

MILITIAMAN LOSES LIFE

Staff Sergt. Thompson, Caretaker of Magazine at Ottawa is Found Dead in Well—Two Young Men, a Boy and an Unknown Man Are Montreal's Toll For One Day—A Tragedy in Hamilton.

Montreal, Aug. 3.—Four victims of drowning were taken from the water of the harbor yesterday, and in three of the cases the victims were under 20 years of age.

With his boat overlaid with driftwood which he had gathered from the harbor to help in the support of his mother and sisters, John Archibald MacPherson, 19 years of age, lost his life when his boat swamped Tuesday afternoon.

The body was recovered and taken to the morgue, where it was identified by the mother yesterday morning.

Men on board the market boat Princess yesterday morning saw the corpse of a boy floating in the canal at Lachine. The police were notified and the body was recovered between Cote St. Paul and Lachine and identified as that of Zeotique Leduc, 8 years of age, who had been missing from his home at 34 St. Louis street, Lachine, since Monday night.

Victor Ethier, 18 years of age, who resided with his parents at Beaubien street, met his death while in bathing with a couple of other little chaps, all of whom had walked out to the Back River for the purpose of learning to swim.

The tragedy occurred at the south end of the bridge, known as Pont Vieux, where the current is quite strong. The body has not been recovered.

Still another victim was recovered from the Wellington Basin early yesterday morning, near the Dominion Coal Co.'s sheds. He was a middle-aged man, dressed in blue serge coat, trousers and vest and black boots; \$3.41 in money was found in his pockets as well as his watch. He is awaiting identification at the morgue.

Found Dead in Well. Ottawa, Aug. 3.—Staff-Sergt. Thompson, a well-known militiaman, and for years caretaker of the Government magazine here, was found dead yesterday in an old well near the Rock-life rifle range.

The magazine was located close by and Thompson was engaged in piping water "from the well," which is a shallow affair. It is believed he was overcome by the heat and fell in.

Boy Fell into Canal. Hamilton, Ont., Aug. 3.—Twelve-year-old Edgar Cuff, while fishing on the Turbina Steamship Co.'s pier, was drowned at noon yesterday. The lad left his playmate at one end of the dock to secure a cork from a group of boys at the other end, and, unseen by his chum, fell, or was pushed in the water, which at that point is about twelve feet deep.

The group of boys ran as soon as the splash took place, and the drowned lad's companion ran for help to the police. The latter are seeking the other lads.

Seven Hurt in Auto Smash. Poughkeepsie, N.Y., Aug. 3.—Dr. George Rombeaud, the director of the Pasteur Institute in New York, is at the point of death in the Vassar Hospital here as the result of an automobile accident yesterday. His wife, who is Mme. Gerville-Roache, who was a prima donna of the Manhattan Opera Company, is badly injured.

In addition to these, five other members of the auto party, all relatives of Dr. Rombeaud or his wife, were injured, and some of them seriously. The car was going around a sharp curve at high speed when it left the roadway and the occupants were pitched out.

New Fire Apparatus. Montreal, Aug. 3.—The Board of Control has taken steps to have the city's fire department the most up-to-date in America, the latest being to call for tenders for five automobile fire-fighting machines, and two of the latest steam pumps. They will increase the efficiency of the brigade by one automobile truck to haul the aerial ladder, one automobile truck to haul the 1,200-gallon steam engine, one combination engine with a capacity of 1,000 imperial gallons, one automobile hose wagon to carry 1,000 feet of hose, one 1,000 United States gallon steam pump and one 300 United States steam pump.

Expect a Walkover. Montreal, Aug. 3.—The Royal Edward arrived in port last evening carrying among its passengers Premier A. L. Sifton of Alberta, and Premier Walter Scott of Saskatchewan. Both proceeded last evening to Ottawa for a short stop before returned home.

Neither Premier had anything to say on the political situation. Hon. Walter Scott, when asked if he "would take part in the fight, smilingly answered: "What fight?"

Joe Martin to Take Part. Vancouver, B.C., Aug. 3.—Joe Martin, M.P., will take part in the Federal elections.

Proud of His Men. Ottawa, Aug. 3.—Col. H. H. McLean, ex-M.P., commander of the coronation contingent, who is in the city, speaks in the highest terms of the men who composed the contingent.

Montreal Grain and Produce.

MONTREAL, Aug. 2.—Owing to the sharp advance in prices for wheat at American and Canadian centres yesterday, there was practically no demand for foreign buyers to-day, and what few bids did come were away out of line.

Oats were wanted for August shipment, but, as there is no ocean freight available from the west, business is impossible. The local demand for American corn is fair.

The inquiry from European sources for spring and winter wheat is fairly good, but the volume of business passing is small, as the bids in most cases are below millers' views.

The local trade is fairly good. Demand for bran and shorts is good, of which the offerings are small and prices firm.

CATTLE MARKETS.

Montreal Live Stock.

MONTREAL, Aug. 2.—At the Canadian Pacific live stock market the offerings this morning were 350 calves, 600 calves, 1000 hogs and 300 calves. Owing to the continued very warm weather and the increased supplies of cattle coming forward, a weaker feeling developed in the market, and prices declined fully 1/2c per pound, and even at this reduction drovers found it impossible to make a clearance, and a number were left over.

The demand was limited and chiefly for small lots to fill actual wants; consequently trade on the whole was slow, and the indications are that if receipts are large for next Monday, values will go still lower. Sales of selected lots at \$7.25 to \$7.50 per 100 pounds, weighed off cars.

New York Live Stock. NEW YORK, Aug. 2.—Beef—Receipts, 1324 head; prime steers, steady; others, 10c lower; bulls and cows, sold to 10c to 15c lower; steers, \$5.65 to \$6.50; bulls, \$3 to \$3.25; cows, \$2.25 to \$3.

Calves—Receipts, 1324 head; veals, 25c to 50c higher; grassers, steady; veals sold from \$5.50 to \$5.50; culls, 5c to \$3; grassers, \$3.50 to \$4.50.

Sheep and Lambs—Receipts, 924 head; sheep, dull to a fraction lower; good to choice lambs, firm to a trifle higher; others, steady; sheep, \$2 to \$3.75; lambs, \$4.25 to \$5.

Hogs—Receipts, 179 head. Feeding firm; stags, \$7.40 to \$7.50.

Chicago Live Stock. CHICAGO, Aug. 2.—Cattle—Receipts estimated at 12,000, market steady to a shade lower; beefs, \$5 to \$7.25; Texas steers, \$4.40 to \$5.10; western steers, \$4 to \$6.10; stockers and feeders, \$3 to \$5.25; cows and heifers, \$2.10 to \$3.55; calves, \$5.50 to \$7.75.

Hogs—Receipts estimated at 22,000; market 5c to 10c higher; light, \$6.50 to \$7.50; mixed, \$5.70 to \$7.25; heavy, \$5.50 to \$7.40; rough, \$5.50 to \$6.80; good to choice, heavy, \$8.50 to \$7.40; pigs, \$5.50 to \$7.30; bulk of sales, \$5.50 to \$7.30.

Sheep and Lambs—Receipts estimated at 20,000; market steady; native, \$2.25 to \$4; western, \$2.50 to \$4; yearlings, \$3.25 to \$4.80; lambs, native, \$3.75 to \$6.50; western, \$4.25 to \$5.25.

Cheese Markets. MADOC, Aug. 2.—There were 521 boxes of cheese boarded; 236 sold at 12 1/2-15c; 75 at 12 1/2c. Balance refused at 12 1/2c.

Underwood's Denial. Washington, D.C., Aug. 3.—Denouncing as absolutely false the charge of William Jennings Bryan that he blocked the efforts of Speaker Clark and others to revise the iron and steel tariff schedules, Democratic leader Underwood, amid uproarious Democratic applause, spoke in the House yesterday in defence of his position and that of the Democratic House.

CIVIC BEAUTY

Quality of Citizenship Reflected in Appearance of the Town.

Barrie Saturday Morning.

Many of our citizens take pride in keeping neat and tidy lawns and boulevards, and deserve great credit therefor; others take very little, if any, care in this respect, and will argue with good effect that they should not be expected to keep their lawns green and the gutters free of grass and weeds when the boulevards of the public institutions in the town, which naturally should lead in this matter, are allowed to go in an unkempt state.

Environment exerts a very great influence upon a people, and those continually moving in untidy and unkempt surroundings are unconsciously influenced towards a tendency to disregard all laws of order. Good surroundings will not necessarily produce a freedom from evil, but will certainly exercise a wholesome restraint.

If children have before them continual signs of disorder, neglect and wastefulness, it is useless to expect them to grow as orderly, industrious and thrifty members of the community. The natural bent will be towards carelessness, shiftlessness, and a most undesirable condition of citizenship, of no use to themselves or to the State. Most people are concerned about their children's examinations at school, while few appear to be concerned about what is placed before the view of these children and is constantly impressing itself upon their minds.

It is always very well to have children listen for an hour to pretty stories at Sunday School, but that hour is not going to counteract the effect produced upon the child if during the other six days in the week he lives among and sees such scenes as broken down fences, vacant lots and gutters filled with noxious weeds, and ruins, dilapidated buildings, broken windows, and eyesores of every conceivable description. There is no excuse for Civic Ugliness. The quality of citizenship is reflected in the appearance of the town, and good citizens in every community could not occupy themselves in a more desirable movement than in organizing some united effort to produce in their civic surroundings that which, appealing to the eye, will have a tendency to develop in the heart and mind all that is expressed in the words, The True, the Good, and the Beautiful.

ELMVIEW

The next W. I. meeting will be held at the home of Mr. George Holdsworth, Aug. 10, at 2.30.

The following subjects are to be discussed: "Care of the Hair," "How to treat Our Teacher." All members expected to help in these subjects. All ladies cordially invited.

The July meeting was held at the home of Mrs. Wm Raly and while the afternoon was showery a fair number were present and a profitable time spent.

Reputation. Reputation is one of the prizes for which men contend. It is, as Mr. Burke calls it, "the cheap defense and ornament of nations and the nurse of many exertions." It produces more labor and more talent than twice the wealth of a country could ever reap up. It is the coin of genius, and it is the imperious duty of every man to bestow it with the most scrupulous justice and the wisest economy.—Sydney Smith.

A New Interpretation. History Teacher—What conspicuous feature figured in Harrison's campaign? Pupil—in the long procession they had a log cabin with a colored man tied on top. History Teacher—A what? Pupil—Well, my history says there was a live coon fastened on the roof.—Lippincott's.

Good Suggestion. "Sometimes," said Uncle Eben, "a man kin build up a mo' valuable credit by keepin his promises dan be kin by holdin' on to his money."—Washington Star.

THE CROPS.—In a trip through much of Cartwright Township the editor noticed how much better crops are than in Darlington this year, owing to more frequent rainfall. Harvesting is in full swing, oats being the principal grain crop. Some extra thrifty pieces of corn and potatoes were noticed. Orchards give promise of a good apple crop. Better looking rural residences and farm buildings cannot be seen in any other Township in three Counties. Cartwright is a prosperous community. The old school house in S.S. No. 1, was the only thing noticed to mar the day's observations.—Bowmanville State-man.
