FIRE BRIGADE RECEIVED RUN

Small Conflagration at Home of Mrs. Bert White On Walton Street

The Port Hope Fire Brigade received a run at 10.45 this morning to a small conflagration at the home of Mrs. Bert White, Walton Street and had the fire not been checked in time serious results might have followed.

It is believed that the fire started from overheated stove pipes passing through the first floor. Mr. W. Grunsell worked unflinchingly to extinguish the flames before turning in the alarm and sustained a rather nasty cut on the hand when he was removing some tin surrounding the stove pipe. On the arrival of the brigade the fire was soon extinguished and very little damage was done.

Ralph Parker, 14 year old High School boy, committed suicide by hanging himself at Wasco, Cal.

FRIENDS HONOR MRS. W. SNELL

Residents Present Hope Street Resident With Table Lamp

Mrs. W. Snell, Hope street, was taken by surprise Monday evening, when a number of her friends gathered at her home for a sociable time together. Three tables of euchre were played with Mrs. Cork and Mrs. George Little carrying off the first prizes. Mr. Cork and Mrs. Burton Levitt receiving the consolation prizes.

Later in the evening the following address was read:

Dear Mrs. Snell—

We, a few of your many friends, have gathered here this evening to celebrate your birthday which was on Saturday, Feb. 25, and ask you to accept this gift as a token of our love and friendship.

Trusting that you are spared to enjoy this gift and live many years among us.

Signed on behalf of your friends:

Mrs. V. Huffman
Miss Aimee Gibbs
Mrs. A. Carr.

She was also presented with a beautiful electric table lamp. Although Mrs. Snell was taken by surprise, she made a suitable reply of thanks. Dainty refreshments were served and the party broke up in the wee sma' hours of the morning.

LADIES SECTION ANNUAL MEETING

Interesting and Encouraging Reports Presented by Golf and Country Club

The annual meeting of the Ladies' Section of the Port Hope Golf and Country Club was held in the Carnegie Library on February 27th, 1928, at 8 o'clock with the Captain, Mrs. Forrest, in the chair.

After the minutes of the last meeting were read and adopted, the captain gave her annual report and moved that it be adopted. In seconding the adoption of the report, Mrs. Benson said that she was only the mouthpiece of the meeting in endorsing the remarks and thought something should be said in Mrs. Forrest's favor. She had established interesting contacts outside and thus keeping us from being a purely local concern and also most generous in giving the junior members a share in the activities of the club.

The Secretary then read her annual report and moved that it be adopted.

This was seconded by Miss G. Burnham.

Mrs. Helm then moved, seconded by Mrs. Bennett an amendment to the former resolution in connection with playing for Mrs. Edgar's Prize.

That a player can play any day or every day with a partner for their best score. Carried.

Moved by Mrs. Witherspoon, seconded by Mrs. Rous that Mrs. Edgar be appointed President of the Ladies' Section. Carried unanimously.

Moved by Mrs. Witherspoon, seconded by Mrs. Roper that Mrs. Forrest be returned as captain. Carried.

Mrs. Chisholm was then elected Sec.-Treas. again.

Moved by Mrs. Witherspoon, seconded by Mrs. Benson that the following be on the Handicap Committee and House Committee, respectively.

Handicap Committee—Mesdames Black, Strathy, R. Hume, Bennett; Briden; Forrest (captain), Chisholm (Sec.-Treas.). Carried.

House Committee—Mesdames Schultz, Bunting, Thurber, Helm; Sylvester; J. Hume; Benson and Nesbitt. Carried.

It was then moved by Miss H. Burnham, seconded by Mrs. Briden that the members have a vote on anything concerning the House Committee. Carried.

It was then decided to have a tea at the residence of Mrs. Forrest, the proceeds to help with the furnishing of the Club House. Miss G. Burnham to be the convener. Moved by Mrs. Roper, seconded by Mrs. Briden that the meeting adjourn. Carried.

SHORT SESSION OF TOWN COUNCIL

Representatives of J. D. Adams Co. Solicits Purchase Of Grader

The regular business of the Town Council was quickly dispensed with Monday evening and at eight-thirty the feature commenced. Yes, folks, a real movie feature. A representative of the J. D. Adams Co., manufacturers of graders, etc., was present and addressed the council regarding the purchase of a grader to be used for town work, such as making roads, scraping and levelling off snow in the winter. Following the session the representative showed the working mechanism of the grader by model and moving pictures. In the past it has been customary for the town to rent a grader at a certain fee and as a grader would necessitate the expenditure of \$468 complete the proposition of buying a machine looked favorable to some of the Councillors.

All Present

All the members of the council were in their accustomed places and included Mayor R. J. Edmunds, Reeve L. H. Giddy, Deputy Reeve Fred Rosevear and Councillors Jas. Sinnott, Moss Hewson, J. A. R. Elliott, Harry Merrifield, S. Brickell and H. W. Mitchell.

Owing to illness, Town Clerk J. W. Sanders was unable to be present and the secretarial role was filled by Town Treasurer N. S. Choate.

Petition for Steps

The following petition was received by the Council:

We, the undersigned residents of Baldwin Street East, wish to present this petition for a set of steps on Hill Street to connect Baldwin Street East with Walton Street. The early action of the Council would be much appreciated.

EXCELLENT REPORTS ARE PRESENTED AT THE I. O. D. E. ANNUAL MEETING

Regent, Secretary and Treasurer Present Reports at Annual Session Held on Monday Afternoon—Officers For 1928 Are Elected.—Mrs. Haultain Again Regent.

Encouraging and gratifying reports denoting splendid progress in all departments were presented at the annual session of the Colonel Arthur Williams Chapter of the I.O.D.E. held in the Carnegie Library Hall on Monday afternoon. A fairly good attendance was out and owing to the absence of the Regent, Mrs. Haultain, the 1st Vice-Regent, Miss E. White occupied the chair.

After the opening of the meeting by the regular prayer of the order and by the reading of the minutes of the last meeting by the secretary, the annual reports of the Regent, Secretary and Treasurer were presented and will appear below.

Considerable regret was expressed by the members of the order owing to the forced absence of the Regent, Mrs. Haultain. She was tendered a vote of thanks for her untiring work during the past year and a vote of thanks was extended to Mrs. Harry Mitchell for her work as the secretary. A resolution expressing appreciation for the use of the library hall was tendered the librarian, Mr. E. Farquharson.

Officers for the coming term were elected and include:

Honorary Regent—Mrs. R. A. Mulholland.

Regent—Mrs. H. E. Haultain

1st Vice-Regent—Miss E. White

2nd Vice-Regent—Mrs. D. Hughes-Charles

Secretary—Mrs. J. W. Sanders

Treasurer—Mrs. F. Sculthorpe

Echoes Secretary—Mrs. (Dr.) Jas. T. Daley

Standard Bearer—Mrs. (Dr.) J. F. Thompson

Councillors—Mesdames S. C. Bennett, J. L. Westaway, (Dr.) M. S. Hawkins, J. Massie; Dore; D. A. Shay, N. E. Johnson, H. Mitchell; W. Lawrence and Miss A. Mulligan.

REGENT'S REPORT

The following is a report submitted by the Regent, Mrs. H. E. Haultain:

Another year has slipped by us, and we are gathered together again for our annual meeting. I am here to give an account of my stewardship as your Regent, and you to elect your officers for another year of work. It has been a happy year for us all. The first year that we have had no heavy burden of responsibility upon us. When the last payment on our War Memorial was made, and our good Regent, Mrs. Mulholland laid down the reins of office, you gave me the honor of succeeding her. I have enjoyed the work, and I have had the loyal support of the officers and chapter alike.

When we found ourselves free to choose the work that we would take up, we looked this way, and that way, and we discovered such interesting possibilities for the work of the I.O.D.E. all through Canada, covers many phases of the lives of our people, and each chapter is free to choose what most appeals to its members.

In honor of our Jubilee Confederation Year, we selected gifts to our schools. The King's Color to the boys of the public school, and we find that it is a pride and an inspiration to them. And Canadian Historical Pictures and Books to the high school. From Dr. Thompson we hear that our gift of carefully selected books will have a far reaching effect on our youth, for they are eagerly reading them, and that gift will be in use for many years, bringing happiness and interest to the children. Is there any form of work that could be more worth while?

You will hear in the other reports of the contributions that each year we give to various phases of work, and the means by which we raise the necessary funds. The citizens of Port Hope are always interested in the work of our chapter, and they readily and cheerfully co-operate with us in all our undertakings, and they make it possible for us to do what we do. We have taken a little time this year to acquaint ourselves more fully as a chapter with the work of the I.O.D.E. as a whole.

GOLDEN WEDDING AT BAILIEBORO

Mr. and Mrs. Levi Byers Received Many Presents and Among Them Purse Of Gold

One of the brightest, happiest occasions in the lives of Mr. and Mrs. Levi Byers, of Bailieboro, came on Monday night when the community gathered at the Centreville Sunday School Hall to celebrate their Golden Wedding Anniversary.

Over three hundred were present many of them coming from considerable distances, and included two of the groom's brothers, Mr. Jesse Byers of Thomsford, Mr. A. E. Byers of Toronto and Mr. Harold Fisher ex-M.P.P. of Ottawa.

The happy couple were recipients of a purse of gold containing four hundred dollars and among many other things the groom received a gold headed cane and the bride a gold tea set. They were also flooded with congratulations and telegrams from friends all over Canada and the United States.

The evening was spent in speeches, recitations and music and the bride and groom of fifty years ago were made very happy indeed, at the manifestations of love and affection by their wide circle of friends.

The Guide joins in extending congratulations to Mr. and Mrs. Byers.

CAPTAIN'S REPORT

Lady Golfers and Members of the Port Hope Club—

It is with great pleasure that I bring to you the report of the activities of Golf for the year 1927.

The keen interest taken in all the events and the harmony which has prevailed through all the season has been amazing. The petty grievances that bother us all are completely forgotten when we arrive on Penryn Hill. With the beautiful surroundings of trees, the glorious outlook on the lake, and in such an environment of nature; how could one help but be happy.

I wish to congratulate our newer members on the progress they have made this year. We, who have been chasing the little ball over the course for some time, will have to work hard to acquire a scientific knowledge of the game or our followers will wonder how it was that they thought we could play golf.

The numerous games played among our members, arranged by the games committee and captain, helped wonderfully to keep up the enthusiasm of the golfers.

The season's games included:

The Match Play for Mrs. Edgar's Plate.

The Match Play for The Matthews Conveyors Cup.

The Medal Play for the Birdie Brown Cup.

The Ringer Score.

A Driving Competition.

Lowest Score for 3 hidden holes.

Lowest Score for one hidden hole.

In a nine hole competition.

Approach and Putting Match on 1 green.

A number of Putting Matches which were thoroughly enjoyed by the tee members.

SECRETARY'S REPORT

Mrs. Harry Mitchell, the retiring secretary tendered her report as follows:

May I submit a report of our chapter activities, 1927-28, the 14th year of the Colonel Arthur Williams Chapter, I.O.D.E.

As you remember our war work ended with the completion of the Memorial in the Town Park last year, and it was decided to place our record books in the town vault, opening new books and a new avenue of work. For this year our greatest effort was to aid our schools. Through the encouraging perseverance of our Regent we have been able, you will agree, to carry through a successful year's work without feeling it a task. In such a busy town with so many other interests, we should feel greatly encouraged with the results of the first year in our new line of work.

We have a paid up membership this year of 45, but unfortunately only 35 can be reported to provincial office as the Treasurer's books were necessarily closed before the additional fees came in. We have held 9 regular meetings with an average attendance of 18. The Regent called 4 special meetings and 3 executive meetings. We regret to report the loss by death of two members Mrs. Reid and Mrs. Dainard. Mrs. Reid, our treasurer for 12 of the 14 years of the existence of the chapter, a splendid dependable member and friend and most efficient. We will greatly miss both members, as well as our late esteemed friend, the Hon. R. A. Mulholland, who was always a source of help and encouragement in our I.O.D.E. work. During the year our provincial president, Mrs. H. F. Burkholder was also removed by death, an outstanding woman and a great loss to the provincial chapter. We have enrolled two new members.

This chapter fittingly celebrated the Diamond Jubilee of Canadian Confederation by making gifts to the Port Hope schools; to the high school a set of 12 framed Canadian historical pictures, the originals of which were the work of the Canadian artists, C. W. Jeffries, C.A., and Henry Sandham, R.C.A. They were attractive, and interesting with a card on each picture, explaining the historical event depicted. The high school also received a \$200 library of new books and a great number of slightly used books. The new library was chosen by a combined high school and I.O.D.E. committee including Dr. Thompson and Mrs. Haultain. Some added valuable suggestions were received by our esteemed neighbor, Prof. Wrong. To the public school was presented the King's Color. Through the courtesy of the Port Hope Dominion Day Committee we were able to make presentation of these gifts on the morning of July 1st, at the Town Square, when about 900 pupils and townspeople were present. Fitting ceremonies were arranged for which the Dominion Day Committee kindly printed detailed programs for us for distribution. July 1st, a spray was placed on the War Memorial while

on November 11th a wreath was placed on the Memorial with a short ceremony. Flowers were sent to Mrs. Reid during her illness and two funeral pieces were sent this year. We had assisted, in a monetary way, a hospital case of a soldier's dependent. We did our usual child welfare work through a donation to the local Children's Aid Society. We were also able to assist the local Salvation Army through a donation. We aided financially on the funds of the Clark Murray Memorial Fund and the Fessenden Memorial Tablet. 30 letters have been written this year by your secretary. We were glad to be able to send Mrs. Haultain, Regent, as our delegate, to the provincial chapter meeting at Hamilton in April from which she returned to us with a most comprehensive report, simply radiating enthusiasm and encouragement, making us proud that we are doing our bit in this great national patriotic organization which is so well established and has such admirable women interested in it.

We received a special invitation to attend the public reception given by the high school in November and which was most enjoyable. Our funds have been raised through various channels, 2 rummage sales, with Mrs. Dore as the competent convenor, two enjoyable public teas, one given by Mrs. Martin and Mrs. M. S. Hawkins at Mrs. Hawkins' home, one at Mrs. S. C. Bennett's and a large combined tea and bridge at the home of Mrs. Hughes Charles. The success we met with in the sale of our Decalomania Transfer designs quite exceeded our expectations. Some of us are better saleswomen than others, it must be confessed, but we heard the financial returns surely with relief and joy. Another excellent source of revenue this year has been the vanishing bridge. This has been a pleasant and successful money-making arrangement.

In closing this report, may I thank the Library Board for the use of this comfortable room and Mr. Farquharson in particular for his always ready assistance and courtesy. We thank the press and the Town people for their assistance and co-operation. We feel and know that the I.O.D.E. is worth while and we want to make our particular chapter of value and benefit in this community. As our Regent has said, our opportunities in the I.O.D.E. work are so varied that the work seems endless, so let us not weary in well doing, but add to our numbers and carry on!

MAN IDENTIFIED THROUGH BIBLE

Name Is Given As James Smith—Found Wandering On Base Line

A Bible found in the pocket of his coat was the means of establishing the identity of a well dressed man found wandering on the base line west of Whitby by Chief of Police Gunson Saturday afternoon. The man who appeared to be about eighty years old, apparently was suffering from loss of memory and could not explain where he came from, who he was or why he happened to be wandering about in such cold weather. Upon searching his person a Bible was found which gave the address, "James Smith, 921 Dovercourt road, Toronto."

Acting upon this information, Chief Gunson was able to communicate with the man's friends in Toronto and made arrangements to return him to the city by bus.

But the old gentleman was other wise inclined and before the bus arrived he slipped away from the police to make himself scarce until the machine had started towards his home. Chief Gunson soon found him tramping on the highway towards Oshawa, and took care of him until he could be restored to his relatives. The action of the police possibly saved him from spending the night in the open with the possibility of perishing in the bitter cold experienced Saturday night.

Mrs. Martha F. Cook of Alexandria, Ind., was granted a divorce from her husband, H. Cook, and allowed \$125,000 alimony.

THE GUIDE STORY

(Continued from yesterday.)

With the exception of this little domestic incident, which appeared trifling enough at the time, but which led to very serious consequences afterward, nothing happened at all out of the ordinary way during the six weary weeks to which I have referred. At the beginning of the seventh week, however, an event occurred at last. One morning the postman brought a letter to the Hall addressed to my mistress. I took it upstairs, and looked at the direction, as I put it on the salver. The handwriting was not my master's; was not, as it appeared to me, the handwriting of any well educated person. The outside of the letter was also very dirty; and the seal a common office seal of the usual lattice-work pattern. "This must be a begging letter," I thought to myself as I entered the breakfast room and advanced with it to my mistress.

She held up her hand before she opened it, as a sign to me that she had some order to give, and that I was not to leave the room till I had received it. Then she broke the seal and began to read the letter. Her eyes had hardly been on it a moment before her face turned as pale as death, and the paper began to tremble in her fingers. She read on to the end, and suddenly turned from pale to scarlet, started out of her chair, crumpled the letter up violently in her hand, and took several turns backward and forward in the room without seeming to notice me as I stood by the door. "You villain! you villain! you villain!" I heard her whisper to herself many times over, in a quick, hissing, fierce way. Then she stopped, and said on a sudden, "Can it be true?" Then she looked up, and seeing me standing at the door, started as if I had been a stranger, changed color again, and told me, in a stifled voice, to leave her and come back again in half an hour. I obeyed, feeling certain that she must have received some very bad news of her husband, and wondering anxiously enough, what it might be. When I returned to the breakfast room her face was as much discomposed as ever. Without speaking a word she handed me two sealed letters. One, a note to be left for Mr. Mecke at the parsonage; the other, a letter marked, "Immediate," and addressed to her lawyer in London, who was also, I should add her nearest living relation.

I left one of these letters and posted the other. When I came back I heard that my mistress had taken to her room. She remained there for four days, keeping her new sorrow, whatever it was, strictly to herself. On the fifth day the lawyer from London arrived at the Hall. My mistress went down to him in the library and was shut up there with him for nearly two hours. At the end of that time the bell rang for me.

"Sit down, William," said my mistress when I came into the room. "I feel much entire confidence in your fidelity and attachment that I am about, with the full concurrence of this gentleman, who is my nearest relative and my legal adviser, to place a very serious secret in your keeping, and to employ your services on a matter which is as important to me as a matter of life and death."

Her poor eyes were very red, and her lips quivered as she spoke to me. I was so startled by what she had said that I hardly knew which chair to sit in. She pointed to

one placed near herself at the table and seemed about to speak to me again, when the lawyer interfered. "Let me entreat you," he said, "not to agitate yourself unnecessarily. I will put this person in possession of the facts, and if I omit anything, you shall stop me and set me right."

My mistress leaned back in her chair and covered her face with her handkerchief. The lawyer waited a moment, and then addressed himself to me.

"You are already aware," he said, "of the circumstances under which your master left this house; and you also know, I have no doubt, that no direct news of him has reached your mistress since this time?"

I bowed to him, and said I knew of the circumstances so far.

"Do you remember," he went on, "taking a letter to your mistress five days ago?"

"Yes, sir," I replied; "a letter which seemed to distress and alarm her very seriously."

"I will read you that letter before we say any more," continued the lawyer. "I warn you beforehand that it contains a terrible charge against your master, which, however, is not attested by the writer's signature. I have already told your mistress that she must not attach too much importance to an anonymous letter; and I now tell you the same thing."

Saying that, he took up a letter from the table and read it aloud. I had a copy of it given to me afterward, which I looked at often to fix the contents of the letter in my memory. I can now repeat them, I think, word for word.

(To be continued.)

HOCKEY

MARLBOROS TAKE FIRST 4-1

St. Michael's College Prep school group champions, and Marlboros, winners of the Big Four group title met at Arena Gardens last night in the first of a two game series in the O.H.A. junior semi-finals and the collegians were defeated 4 to 1. One of the largest crowds of the season, undoubtedly the largest that has attended a junior fixture since the Memorial Cup series last spring saw the game.

It was not the best performance that both teams can produce. There was too much of a leaning toward defensive hockey and the lightning speed that these players can provide was only seen in flashes. But it was a vigorous contest and one in which weight played an important part. The heavier Marlboros played their lighter opponents into exhaustion, especially in the last period. It was near the end of the game that St. Michael's buckled under the strenuous attacks of the Dukes, and two quick goals, one of them of the so-called "soft" variety, gave Marlboros a margin that will make them strong favorites to take the round.

who, but showed brilliantly in apois. They missed several good chances to score by missing passes in front of the net and overskating the puck. Koster, in the visitors' net, was at his best, and saved many seemingly sure goals off the sticks of the homesters especially in the last two periods. The Parkviews tried hard all the game, but were not quite equal to the big task handed out to them, although they did well to prevent the purple and whites from running up a much larger score. The score by periods was: 2 to 2, 5 to 2, and 6 to 2.

BASEBALL

COBB AND SPEAKER IN THE ATHLETIC OUTFIELD

Cobb, Speaker and Simmons were envisioned as the Athletics' outfield when it became known that Manager Mack had talked late Sunday with the Georgia Peach.

Mack was at the club's training base in Fort Myers, Fla., and Cobb was at his home in Augusta, Ga. They talked over the telephone for an hour and Mack was optimistic when he told newspaper men of his conversation. Admitting that Tyrus had not accepted the club's offer definitely, Mack said he felt reasonably sure he would do so in order to have one more season on the diamond. Just before the talk ended, Cobb asked for two days to think it over.

Assuming that Cobb will be back in the fold this year, Mack's optimism was boosted another notch with receipt of news that Sammy Hale, holdout third baseman, had surrendered, and was on his way from Texas by automobile.

POPULAR COMEDY STAGED AT MORRISH CHURCH

Friday, Feb. 24th, the Morrish

Dramatic Club staged their play, A Kentucky Belle, at the Morrish Church, when they played to a full and overcrowded house. The following was the cast of characters, and every one was remarkably well acted.

Miss Mariah Douglas—Mrs. S. Sculthorpe.
Miss Isobel Douglas—Kathleen Lanchashire
Col. Wm. McMillen—S. Moore
Marie Van Hurlenger—Mrs. H. Walker
John Cason Gordon—Ross Dickinson

Philip Duncan—Carl Moore
Girls and Boys of the Village—Ruth and Grace Lewis, John McHolm, Harry Cotter.

Miss Ruth Fanning and Mr. M. Irwin supplied splendid music during the evening.

The proceeds amounted to \$54. This play may be given in Port Hope at an early date. Do not miss the opportunity of seeing this popular play.

SEEK NEW VARIETY OF WHEAT

The production of a variety of wheat combining high yield and good baking qualities with a high degree of resistance to stem rust, is one of the most pressing problems at the present time according to the Dominion Department of Agriculture. Careful consideration is being given to rust resistance in new varieties and strains developed by the Dominion Experimental Farms. New varieties are produced chiefly through the medium of artificial crossing of carefully chosen parent varieties, the crossing work being confined chiefly to the Central Farm at Ottawa and to the Rust Research Laboratory at Winnipeg.

It must look to its friends for its support and its advancement and of this rapidly increasing throng it cannot complain for it is the rule among the patients of Chiropractors to tell their friends and their neighbors to go and do likewise. One of the most remarkable things about Chiropractic is the support it receives from those who understand what it is. This ought to convince the most skeptical of its merits.

EVIDENCE WAS ABRUPTLY STOPPED

Adjournment Ordered in Midst of Important Testimony At Timmins

Monday's evidence before the Royal Commission investigating the Hollinger disaster concluded with dramatic suspense—like the ending of an installment of a magazine serial. The explanation as to why Hollinger did not have rescue apparatus on the grounds ready for an emergency was literally cut off in the middle of a sentence when Mr. Justice Godson, Commissioner, adjourned the hearing until this morning.

Peter White, K.C., counsel for the Commission, had asked John Knox, Assistant General Manager of the mine, why this rescue equipment which had to be transported from Toronto and Pittsburgh was not kept handy on the grounds for emergency. The matter had been given considerable thought by Mr. Knox, and advice had been taken from the United States Bureau of Mines. "That advice was," said the witness, "that unless you—" But his further explanation was interrupted by the Commissioner's statement that the hearing stood adjourned till 10 o'clock Tuesday.

This question of the rescue apparatus ranks in importance with two other phases of evidence which emerged conspicuously during the first day of the investigation. One of the important points of testimony was Mr. Knox's statement that he understood debris, such as waste paper, sawdust, fuse ends and other packing was being mixed with waste rock to fill old stopes and his admission that, although he had considered the practice safe when he first learned of it, he now felt that in view of the breakdown of the method as demonstrated by the disaster, this debris should be brought to the surface to be destroyed.

The other point of testimony which figured largely in the hearing related to the duties of George Craig, safety inspector of the mine. Mr. Knox said that Mr. Craig, as far as he knew seldom made written reports concerning hazardous conditions in the mine, except for the filling in of formal sheets regarding the underground powder houses. The witness explained however, that Mr. Craig reported verbally on circumstances he thought should have attention, and co-operated with the inspector from the Mines Department. In answer to a question from the Commissioner, Mr. Knox did not know of any report dealing with safety conditions in the stope in which the fire causing the death of 39 miners had occurred.

Golf Club Meeting

(Continued from page 1.)

To the secretary, Mrs. Chisholm, one cannot say too much in praise of her untiring efforts. She certainly is the right person in the right place. Her job is "not always" all sunshine, as it involves much detail work. I would like to thank her sincerely for her past help.

We had in our club, co-operation as well as competition, consequently this year has been a huge success. Submitted for your approval.

(Signed) C. Eustace Forrest, Capt.

REPORT OF SEC.-TREAS.

Ladies of the Port Hope Golf Club:

We are really having our first regular, annual business meeting tonight and we all feel that we have made rapid strides and that our club is well on the way to success. We have all done our bit and by the united efforts of all the members, in this way, our club is sure to carry on.

Our House Committee, under the efficient guidance of Mrs. Edgar, with Mrs. Bunting as Convenor, decided to have a weekly tea each Wednesday, so that the men could join us, but these we found were not half the success of the picnic luncheons that we had later each Tuesday and a round of golf after this, closing a most successful day.

Our captain, Mrs. H. H. Hest, was most untiring in her efforts to have us brought before the public and going to the Canadian Ladies' Golf Union was, I consider, the most important move we made. Our course then had to be parred by representatives of this organization and Mrs. Whittier, of the Toronto Club and Mrs. Graydon of the London Club were sent to us on July 12th for this purpose.

Miss Hazlett of Hamilton and Mrs. M. K. Rowe, chairman of the National Parks Committee also came and Mrs. Forrest asked everyone who was on the links that afternoon to go to her home very informally for a cup of tea to meet the visitors.

Miss Dorothy Grant won the "Hole in Two" competition from the Mercury Mills in Hamilton in September.

Then to close our season, we had a Ladies' banquet at the Queen's Hotel on October 27th. Our captain made this a wonderful success and there were 34 members present and we had the captain, Mrs. Burns and the secretary, Mrs. McCallum from the Cobourg Club as our guests. The prizes for the year were presented at this dinner.

Mrs. Sylvester presented the Matthew's Gravity Cup to Mrs. Black, the winner of the handicap match play.

The sterling silver plate donated by Mrs. Edgar was presented to Miss A. Card, winner of the handicap match play.

The lowest ringer score for the season was won by Mrs. Forrest, the prize presented by Mrs. Helm and Miss Card. Mrs. Forrest also won the C.T.G.W. spoon this year for the lowest ringer score.

Miss Bennett won the Sec. Inger Score Prize presented by the captain.

Mrs. Roper won the Sec. Prize presented by Mrs. Forrest.

Mrs. Black won the approaching and putting prizes on three holes presented by Mrs. Strathy.

Mrs. Black also won an approach-

ing and putting prize donated by Mrs. Chisholm.

Mrs. Strathy has her name on the Port Hope Golf Club for the second time.

Mrs. Chisholm won the prize for the hidden hole presented by Mrs. S. C. Bennett.

Mrs. E. Strathy won the prize presented by the Players for the lowest score on three hidden holes.

Mrs. Nesbit and Mrs. Forrest coming second with prizes by Mrs. Bunting and Mrs. Bennett.

We then closed with a hearty vote of thanks to our captain for a most successful evening.

Mrs. Roper kindly offered her home for a bridge, the proceeds of which were to be used for Golf Club furnishings. At this bridge on January 31st, we realized \$75.40.

In closing may I say that it has been a very great pleasure to be Secretary-Treasurer to the Ladies' Section of the Golf Club. The members have all helped in every way when asked and sometimes the demands seemed quite frequent but always necessary, both in a new Club as well as one of long standing.

(Signed) H. W. Chisholm, Sec.-Treas.

OSHAWA WIN BUT LOSE ROUND

Defeat Kitchener 3 to 1 at Whitby But Lose Round By Score of 5-4

In one of the most bitterly fought and wildest games ever seen on the Whitby Arena, Oshawa intermediates fought their way to a sensational 3-1 victory over Kitchener last night but lost the round 5-4 Kitchener having defeated them 4-1 at Kitchener in the first game of the series. A large number from Port Hope and district attended the game.

The game from the start was a thrilling exhibition with Oshawa having the upper hand throughout. Although they outplayed the Kitchener team from the outset, all their tallies came in the last frame when "Kip" Rowden scored twice and Joyce once. The Twin City hopefuls, realizing in the first period that a new Oshawa team confronted them, played a purely defensive game and shot after shot was sent caroming up the ice from their blue line. Oshawa, in their anxiety to even up the round were off their guard for a few seconds in the first frame and "Dutch" Hamel, the speedy centre of the visitors rushed in on the defense with Schmidt along side and gave Smith no chance to save.

The second period was goalless, although Oshawa made rush after rush up the ice only to see Ruppel get in front of the flying puck. Ruppel was the outstanding star for the visitors and Oshawa would have romped off the ice all set for Port Colborne if the Kitchener goalkeeper had not been in his best form. The ragging and time wasting of the Twin City representatives finally also made the game also ragged and many duels were started.

Oshawa, who had been playing four men up most of the game, had five men up most of the final stanza and led attack after attack on the Kitchener citadel. When Rowden finally scored after a rush and a six zing drive that Ruppel did not even lay his eyes on.

Rowden went in again and found the net, the score of the round then standing 5 to 3. A few seconds later Johnson rushed and Joyce took the pass in the midst of a scramble and brought the Oshawa crew within one goal of tying the round.

With about fourteen minutes to go Kitchener was fading rapidly, but their desperate efforts and their covering up at the goalmouth with the occasional slithering shot down the ice kept them in the hunt. Schmidt and Baetz were the only Kitchener players able to keep up the fast pace and did invaluable work for their team.

The Oshawa players took another great spurt and bore in on Ruppel time and time again, only to see him save sensationally.

It is understood Harold Farlow who officiated at the first game of the series, is entering a protest against the third goal at Kitchener, which although the goal judge claimed it was in, the majority of the crowd including Farlow, evidently thought differently. If the goal is disallowed another game will be necessary between these two teams.

Oshawa—Goal Smith; defense Chartrand and Johnson; centre Avery; wings Rowden and Houck, subs Lowe and Joyce and Garrison (goal).

Kitchener—Waterloo—Goal Ruppel; defense, Berlet and Trushinski; centre Hamel; wings Shirk and Baetz; subs Bender and Schmidt.

Referee—Harold Farlow, of Toronto.

Patience provoked often turns to fury.

CAPITOLIANS IN POSTPONED ACT

Program Even Better Than Originally—Orchestra Will Be Feature

They say a good thing is worth waiting for and certainly it is if it becomes better while you wait, which is just what has happened to the 17th Capitoline revue since its postponement a couple of weeks ago. Several numbers have been changed to more pleasing ones, while the orchestra now numbers seven, including Herbert Winfield, who would have been unable to take part on the earlier date, and Walter Fraser, trumpet soloist who has arrived in town since then. The "band" selections are by far the best yet.

The names of the assisting entertainers appear in the Royal Theatre advertisement and include a wide variety of talent, besides which the style of the presentation will be entirely different from that of recent revues. Dialogue has been reduced and more attention given to the music, so that the act gathers speed and never slows up. It is expected that this program will be the most popular in some time.

BAILLIEBORO BRIEFLETS

The farmers of the district are busily engaged getting ready for Spring. While some are hauling gravel for their statute labor and building purposes, others are preparing for seeding.

Many are visiting the neighboring sales watching for chances to buy suitable horses and machinery as well as hogs and cattle to carry on next Summer's activities.

There has been a lot of ice covering the Fall wheat during the greater part of the Winter and a number of the farmers are claiming that the Fall wheat will be damaged to a great extent.

Many farmers in this district have kept their barnyard manure hauled out during the entire Winter months. This will make the Spring's work much lighter and also leave the farmer much more time to work his land. It is believed the fertilizer will be equally as valuable to the land when it is placed on during the Winter if the manure is not placed upon hilly ground when the good will drain out during the Spring freshets.

Horses and cattle are very valuable in this district this Winter. It is almost impossible for the farmer who has been in the habit of buying cattle in the spring of the year to finish off on pasture, to purchase cattle this year, as the cattle prices have been so high few farmers held over any surplus stock.

Personals

Arnold Brown attended the banquet given in honor of Mr. and Mrs. Seymour and sons at Millbrook.

Many of the men of this district attended the auction sale of Mr. William Finnimore on Thursday afternoon.

Messrs Fred Barnard, Archie Deyell and Herbert Dean attended the Council meeting at Garden Hill on Thursday evening. The meeting was called by the member of this district for the boys' parliament.

BURIED CITY YIELDS SECRETS

Archaeologist Reports Finding of Olynthos, Razed 400 B. C.

Mr. David M. Robinson, Professor of Archaeology in John Hopkins Hospital, has located the lost site of the city of Olynthos which was razed to the ground by Philip of Macedon 400 years before Christ and the exact location of which has been for centuries uncertain.

Backed by cable authority from a group of Baltimore men, most of whom are connected with the Baltimore Museum of Art, Dr. Robinson has put 100 men at work excavating the site. A cable received Monday by Dr. Hugh Young announces that the discovery may be even more important than anticipated. The message, signed by Dr. Robinson, reads: "Excavation of Olynthos begun. Fortress, granaries, wine press, many statuettes, large head of Silenus, many vases, important Greek villa, coins already found; most promising. One hundred refugees employed."

GOOD NIGHT STORIES

By Blanche Silver

DORIS MEETS ONE OF THE SMALLEST ANIMALS

WHEN the brown leaf moved at her feet Doris didn't know whether to jump upon the log at her side or to run.

"Well, whoever it is under there had better come out or you may be sorry," she laughed. "I wouldn't willingly harm anyone but—goodness me," and Doris with a shriek hopped upon the log, for out from under the leaf poked a tiny little grayish-brown head with a long pointed nose. "Well I didn't expect to find a mouse this far from the cellar," she laughed.

"Cellar, cellar," repeated the little creature crawling out from his hiding place under the dead leaf. "Cellar, what's that? Don't stand and stare at me so. I'm nothing but a Long-tailed Shrew. Haven't you ever seen a long-tailed shrew before?"

"I should say I never have," Doris laughed sitting down on the log once more. "But I can readily see why they called you Long-tailed. That tail of yours is the longest tail I've ever seen on so small an animal. You're not big enough to carry such a long tail."

"No, I'm not really," chuckled Long tail Shrew. "But would you believe I'm one of the smallest animals in all this wide world?"

"Well," mused Doris looking closely at the little animal. "I don't see how you have lived this long without any eyes and—"

"Say, what are you talking about, Honey?" laughed Long-tailed Shrew. "Can't you see my eyes? Sure I have them but they are almost hidden in my fur. You see they don't mean

"Cellar, What's That?"

much to me. All I need to know whether it's day or night. Then is when I do my running around. I was rather peeved today when I discovered I had mistaken the cloudy day for evening. I would have been at home if I hadn't thought it was night."

"Then you live around here some place?" questioned Doris as she stroked the soft fur on Long-tailed Shrew's head. "I'd love to pay you a visit some time."

"And the wife and I would love to have you come and see us, too," squawked Long-tailed Shrew. "In Summer time we always find some deserted meadow mouses' home and make use of that. Then in Winter when the weather is cold you'll find us in a comfy little burrow under the snow and ice, deep in the ground where it's lovely and warm. Mama Long-tailed Shrew and her family have gone shopping today or I'd take you over to call in her right now."

"I'll surely come to see you," Doris promised. She heard her Mama call

ing and bidding her new friend, Mr. Long-tailed Shrew goodbye Doris scooted on home while Long Tailed Shrew went on about his business in the woods.

Applique Of Self Fabric Adds Individual Touch

This smartly dressed young woman proudly exhibits to her admiring friends a coat which she has made herself. To some of them who are a little doubtful she explains how surprisingly easy the whole process is. The upward-curving side flare, so popular this season, is made in one with the skirt. The applique banding is easy to get, and adds a very individual touch. With straight sleeves and turned back cuffs, this coat is simplicity itself. The material chosen is black suede cloth with beige fur banding. With it she wears a beige dress, gloves and stockings which contrast with her black shoes and bag. An all beige coat with black dress and accessories, or beige coat with brown fur and brown accessories would be equally as smart.

HEARD ON THE STREET

Good morning! Are you going to the pantomime?

Tonight the Port Hope Music Study Club are giving a fine programme in the Town Hall, which appears elsewhere in this issue and we rest assured you will need no further inducement to attend this entertainment.

Did you see the passing show? There was no admission fee charged to see the big trucks struggle to get the tremendous load in a semi-trailer and trailer up the Walton Street hill but if their hammering as their great wheels clanked around and shook the buildings for hundreds of feet broke or damaged the road who would pay for the show put on by Loblaw?

The affirmative won the debate, "Resolved that music has a greater influence for good than preaching," because the affirmative was so ably taken by Harold Hancock and Gordon Garnett against Charles Kelley and Donald H. Wilson in a debate last night before the Young People's Society of the United Church. Rev. F. W. Anderson pointed out that it was not a debatable subject and it was a regrettable thing that it had come up for discussion; nevertheless, it had proved interesting while the result did not necessarily prove the relative importance of either, it showed chiefly the ability of the speakers to handle a subject in debate. Miss Mary Pomfret added a delightful solo to the programme and Miss Brownlee assisted by reading the lesson while Miss Doris Stephens gave the discussion of the same.

There will be general skating at the rink tonight from eight to ten o'clock.

David Benedict, a well known farmer, residing in Rawdon Township near Stirling Village died suddenly on Saturday. He had just eaten his dinner and left the house when he dropped dead outside the door. Mr. Benedict was 56 years of age and had lived in that vicinity all his life. He leaves his widow and one son, Walter, at home.

A rear end collision of two freight trains occurred near the coal chutes at the east end yard of the Canadian National Railways early Monday and traffic was still disrupted Monday afternoon over the west main line. The auxiliary was immediately called out and the line will soon be ready for traffic. A freight engine with a train was taking coal at the chutes preparatory to leaving for the west when another freight, coming from the east, crashed into the caboose. Cars were thrown from the track, two of them, the caboose and a freight car being completely demolished, while the other was thrown clear of the chassis, which consisted of a car of newsprint and two cars of imported liquors, was littered over the tracks, right of way into a deep ravine. Mer The engine hitting the caboose was badly damaged in the front and thrown sideways across the tracks.

In the account of the Band Concert Sunday night the names of two artists who contributed much appreciated numbers to the program were inadvertently omitted. Miss Marie Candilla received an encore when she sang "Mifwmy" and returned to give a delightful little song "Two Little Stars." Mr. Al Stagg's sweet violin solos enraptured his audience. Both these talented artists appear tomorrow night at the Royal in new pieces which will undoubtedly prove equally attractive.

COLLAR BONE WAS FRACTURED

Miss Ruby Roach Sustained Painful Accident On Monday

Miss Ruby Roach, young daughter of Mr. and Mrs. John Roach, Margaret street, had the misfortune to fracture her collar bone while playing at the Public School on Monday. The little girl had the misfortune to slip on the ice and although the breaking of the collar bone was somewhat painful, she is resting quite comfortably today. Dr. W. F. Beamish was the attending physician.

Mrs. Annie Martin, 71, superintendant of U.S. mint in Carson City died recently.
