

## REMEMBER CONVENOR

Port Hope Old Boys and Girls  
Give Mrs. H. Emmett  
Fine Gift

Recently about fifty of the Port Hope Old Boys and Girls in Toronto spent the evening at the home of Mrs. H. Emmett, 166 Dovercourt Road, who has been convenor for many of the Association's social functions. In recognition and to show their appreciation of all she has done in behalf of the organization she was presented with a beautiful walnut Chesterfield table.

The evening was spent in cards and games and refreshments were served at the conclusion.

### Picnic Planned

The Port Hope Old Boys and Girls Association of Toronto, are holding their annual picnic at Mr. Arthur Miles on the Lake Shore Road on Saturday, August 4th. A good attendance is hoped for and expected.

## TWENTY YEARS AGO

Items of interest taken from the file copies of The Guide of twenty years ago.

JULY 12, 1908

8000 Orangemen in Peterboro.

The 218th anniversary of the Battle of the Boyne was celebrated in Peterboro today. There were 8000 Orangemen in the parade and it was the biggest crowd ever assembled in Peterboro.

### SALE OF HORSES

Duncan Loggie of Maple Creek, Sask., will sell a car load of 20 Western Percheron horses at the Ontario House Yards, on Friday, July 20th, at 2 o'clock. Greys, blacks and bays, ranging from two to five years old.

J. H. Wilson, Auct.  
Samuel McCartis, 25, when riding in motorcycle race, crashed into a fence and was killed at Woodstock, Ill.

## FINE WEATHER BRINGS SUCCESS

Bethesda United Church Put on  
Annual Strawberry Festival  
Wednesday

Bethesda United Church Ladies Aid were indeed fortunate to get such lovely weather for their annual Strawberry Festival which attracted something over six hundred to the home of Mr. A. E. Rosevear, Dale Road, on whose spacious lawns it was held under the convensorship of Mrs. Adam Simpson who is president of the Society, and has held that position for more than a dozen years.

The ladies put up an excellent supper with delicious strawberries and cream as well as the other usual delicacies for such an occasion.

Proceeding supper a team from Harwood composed of Messrs. E. Hogg, Mal Harvey, C. Wade, Max Harvey, C. Burieson, A. Lee, J. Minifie, and P. Young defeated Bethesda's able nine—Messrs. A. Watt, M. McCullough, E. Barrie, T. Harris, N. Daley, E. Merton, P. Rosc, H. Harland and A. Dolley by a score of 8-7. The game was a close contest and well handled by Umpire Earl Shearer.

### The Program

Rev. J. G. McKee made a few remarks before calling on the first number. Rev. G. C. Campbell of Camborne, and Rev. Mr. Brown of Rosemeath, also made a few remarks. Miss Audrey Box and Miss Margaret Milne of Port Hope, sang two solos, Miss Box's numbers "Pucker and Whistle" and "My First Music Lesson" were well chosen for the occasion, and Miss Milne's selection "Sleepy Old Street" was well rendered and delighted her audience.

Miss Norma Dickinson gave a reading and Mr. David Hill of Cobourg sang "You Can't Blame Me For That" and another solo which were much enjoyed. The Kilties Band of Cobourg played selections between other parts and their playing delighted the large crowd present.

The ladies are more than pleased to have such an excellent crowd and realized over \$300 of which about sixty came from the candy and ice cream booths in the capable management of Misses Raby and Grace Winn. And the crowd dispersed with that satisfied smile which showed they were glad they came.

## FURTHER RESPITE FOR MURDERER

The fight still continues for the life of young Hickman, brutal killer of little Marian Parker. This miserable specimen of humanity found guilty after a fair trial and a complete confession of his fiendish act, was sentenced to be hanged last April. The case was appealed on a technicality and after much delay the supreme court sustained the original judgment. His counsel will now carry the decision to the United States supreme court in a final effort to stay the execution.

At the time of one of the most brutal murders of modern times the whole continent was aroused by the horror of it all. The United States as a whole was almost hysterical in its indignant clamor for justice. Big rewards were offered for the capture of Hickman. Lynching was feared and guarded against. But the sentiment was evanescent.

Hickman was tried and sentenced to death and feeling soon died down until at present his case is apparently viewed by the public with almost complete indifference. Captors of the murderer have received only a small portion of the promised reward. Few seem to care whether or not the sentence of death is carried out. Other things engross the public mind.

But little Marian Parker is still dead. Her parents are still haunted by the memory of her terrible mutilation and tragic end. In their hearts is an aching sorrow that will remain with them to the end. In the meantime Hickman is living in comfort, unrepentant, sneering, convinced that he will escape the gallows. All of which convinces the onlooker that in the United States Justice is not only blind but deaf and dumb—very, very dumb.—Kitchen Record.

## NOT IN SWIM AS INDICATED

Returned From Flying Visit to  
Balmy Waters of Karwartha  
Lakes

The personal put in Monday's issue would indicate that Donald H. Wilson was going to be swimming during the whole of his two days' absence, in other words a sort of a marathon, but we wish to assure our good readers that Donald isn't that kind of a boy. We understand, however, that Port Hope is to be represented in the next "big swim." We will send the Guide photographer out and try to get a snap of our formidable contestant but in the meantime we believe it advisable to keep the identity of this able swimmer a close secret.

Now let us recur to the original thought from which we have wandered far afield. Donald "followed father's footsteps" to a certain extent by travelling to Peterboro, War saw and McCrackins Landing where he spent Sunday night as the guest of his cousin, Mr. and Mrs. Arthur Choate, and Mr. and Mrs. Hal Choate. (Monday he arose early (rather as usual, you know) had a swim and went fishing. After pulling in a dozen or so of various species he decided to give other visitors a chance so he pulled in his line and jumped in with the rest of the fish where he was in his element. After a sumptuous repast, a rest and another swim he bade adieu to his friends and left the beautiful waters of Stoney Lake for Peterboro where he had supper with a friend before turning toward Lindsay into a frightful hail storm, accompanied by a very wet rain and beautiful electrical display which makes detours a pleasure to travellers.

In Lindsay, Donald was the guest of his uncle, Mr. G. H. Wilson, of the Daily Post, and viewed the up-to-date plant of that flourishing daily newspaper. While there he enjoyed a pleasant hour in the Otonabee.

On leaving Lindsay at five o'clock Tuesday evening Don made a fraternal call on the publisher of the Fenelon Falls Gazette who has a plant very suited to its work. Recollections of summers spent at Sturgeon Point, drew him there and after a considerable search found the cottage where he spent many happy childhood hours; which is owned by Mrs. Walkey, whom he remembered as selling candies at the Lower Wharf. She now has a lovely modern summer hotel "Lakeview Inn" which is right in a commanding position on the point. While Don was having the usual plunge, the steamer hove in sight, but somehow it does not look as big now as it did to the boy of five—funny, isn't it, how things change?

After he disposed of a good, hearty meal Mrs. Walkey set before him, it was dark and time to go home, so Donald turned south east and arrived in Bobcaygeon at ten where the shops were open and the streets lined with cars just like a city—only worse.

From Bobcaygeon Don flew over stock and stone till his hair whistled in the wind and certainly wished he had an aeroplane to get over some of the corduroy swamp roads. On and on he flew, far into the night and strange as it may seem he arrived home without getting lost—perhaps it was his "Star" that guided him.

## LECTURE AT ART SCHOOL

E. Wyly Grier, R. C. A., to Give  
Address on "British Art"

The first of the summer series of lectures will be given at the Art School, Cavan St., next Saturday evening, July 14th, at 8.30, by Fr. E. Wyly Grier, R.C.A., of Toronto. The subject will be "British Art" and will be illustrated by a splendid series of lantern slides. Those who were present last summer when Mr. Grier spoke on "Portraiture, An Ancient and Modern" will undoubtedly look forward with great pleasure to hearing him again. The public are as usual cordially invited to attend. No admission fee will be charged.

Unaware of being released same day, two prisoners escape from jail at Danville, Ill.

## LATE MRS. LAWRIE IS LAID TO REST

Was Born in North Monaghan  
Ninety-one Years ago

The funeral of the late Mrs. John Lawrie was conducted from the residence of Mr. J. S. Day, Blooms-grove Ave., Wednesday afternoon and was well attended by friends and relatives of the deceased.

The funeral services were conducted at the residence and at the grave by Rev. T. E. Meldrum, pastor of the Baptist Church. Numerous floral tributes marked the esteem in which the deceased was held. Interment was at the Union Cemetery. Following were the pallbearers—Messrs. James Thompson, Wm. Row son, S. Scaman, Fred Berbert, John McMillan and Wm. McMillan.

The late Mrs. Lawrie whose maiden name was Annie Stewart, was born in the Township of North Monaghan and spent her girlhood days in that vicinity. Sixty-five years ago she was married and settled in Port Hope in 1861 where she has lived ever since. Her husband predeceased her ten years ago.

Deceased had been ill for the short period of six weeks and owing to her advanced age of ninety-one years, did not rally and she was summoned to her heavenly home on Sunday evening.

During her residence in Port Hope the late Mrs. Lawrie made numerous friends and acquaintances who regretted to hear of her departure. She was a staunch Presbyterian, being a member of the former Mill Street Presbyterian Church and took a keen interest in her home. For the past eight years, she made her residence with Mr. and Mrs. J. S. Day, Blooms-grove Avenue.

Left to mourn her passing is one daughter, Mrs. J. S. Arnott of Port Haney, B.C., and one son Bruce W. Lawrie of Woodstock, Illinois. The latter was in town for the funeral but Mrs. Arnott was unable to attend owing to the long distance she was away.

## RECKLESS CHARGE WAS ADJOURNED

J. B. Bartram Faced Charge of  
Reckless Driving in Local  
Court

J. B. Bartram of 87 St. Clair ave., Toronto, faced a charge of reckless driving in Port Hope Police Court this morning before Magistrate W. A. F. Campbell. The hearing was adjourned until 2.30 o'clock, July 19th.

Accused, who was not present in court, was represented by J. D. McColl of Cobourg, and a plea of not guilty was entered to the charge. Highway Traffic Constable Gordon Hallick told that he was proceeding along the Provincial Highway near Rose Hill and was nearly forced off the road when a car driven by Bartram passed another car on the hill. Witness stated that he had to bring his cycle practically to a stop in order to avoid a mishap.

Mr. McColl argued that according to instructions he had received from his client, Bartram was passing the car at the top of the hill with a clear view ahead.

Mr. McColl asked for an adjournment in order to produce witnesses and the case will come up for hearing on July 19th.

## WEST EXPECTING EARLY HARVEST

Crops Are as Far on as This  
Time Last Year—Most of  
Wheat in the Shot  
Blade Stage

Western crops have made fairly good growth during the past two weeks, and in most places are expected to be as early or earlier than they were last year according to telegraphic reports received by the department of agriculture. There are still some reports, however of unevenness, mostly among the late sown crop.

Most of the wheat has reached the shot blade stage and around 20 per cent. is in head. Crops have not suffered material damage from any source.

## OUR NEW HOSPITAL WING TO BE STARTED NEXT WEEK

Thos. Garnett & Sons, F. B. Robinson and C. Pillsworth Get  
Contracts for Work on Addition to Hospital to Cost \$45,000

We were informed today through official channels that the contracts had been awarded for the building of the new wing on our hospital at a total cost of \$45,000.

The building contract went to Thos Garnett & Sons; Mr. F. B. Robinson will look after the plumbing and Mr. C. E. Pillsworth has the electrical contract.

The work on the addition is to be started next week and completed the first of 1929. This new west wing will be a two story structure

as the east wing is but will extend back farther, being sixty-five feet in depth.

The present capacity of the hospital is 25, but with the 18 added beds we will, upon completion, have a 43 bed capacity.

The need of this extra hospital room has been felt for some time by our citizens and we are certain everyone will be glad to know that the plans for attending to this have been made and will soon be carried out.

## THE CANADIAN NATIONAL STATION APPROACH

Early this year officials of the Canadian National Railway met the Port Hope Council with the object of having the paving done from John street to the Station.

The railway officials promised every co-operation.

We understand an appropriation has been made by the railway for this work and it now awaits real action on the part of Port Hope. The railway will pay all the cost of paving on the station and freight shed yards and half the cost of Hayward street along side the railway embankment of whatever class of pavement, hot top, cold top or plain cement.

The pavement on John street is 22 feet (without gutter.) When it is understood that the distance to be paved on Hayward street to the west side of Smith street is approximately 350 feet, (the cost of which the railway pays at least half) while the distance from Smith street the west end of the railway premises is approximately 830 feet to be paved it is hard to understand why there should be any delay on the part of Port Hope. Then too the width to be paved on the railway property will vary from 20 to probably 110 feet while that put down by the town will be from 22 to 30 feet at the outside.

The time for asking for tenders is opportune for that very efficient Thunder Bay Paving Co. will be through with their work on the east gravel road and having their extensive and complete equipment and men right on the spot could afford to do the work at low cost and the job could be rushed through in a few days. Besides there are other construction companies that would gladly undertake the work.

Even during the present dry weather the approaches to the C. N. R. station are terribly rough, just bear in mind the condition in the fall and spring.

There should be no delay in meeting the wishes of the C.N.R.

## BAPTIST SUNDAY SCHOOL PICNIC

Annual Outing at Sylvan Glen  
Greatly Enjoyed Wednes-  
day Afternoon

The annual Baptist Sunday School picnic which was conducted at Sylvan Glen, four miles north of Port Hope, on the banks of the Ganeraska River, Wednesday afternoon, proved most successful. The event was attended by nearly two hundred people.

The pupils spent the afternoon in softball games, races, swimming, etc. and at 5.30 refreshments were served. The trip was made in cars and by Lingard's Transportation bus.

The Mission Band conducted an ice cream and candy booth and a considerable sum was realized.

## DIVORCE MILL TO SLOW DOWN

Americans Will Encounter a  
Sterner Law—Lax Judge  
Must Appear Before  
Council

The divorce mill of Paris in the future will grind exceedingly slow for Americans.

The hand of Louis Barthou, minister of Justice, has fallen heavily on those who have been making the wheels of the divorce court revolve with dizzy rapidity for their American clients, even lawyers and two process servers are to appear before a civil tribunal sitting as a disciplinary court on July 21.

Judge Genet, who is alleged to have been altogether too easy going and lacking in perspicacity, is to appear before the council of magistrates next October.

It is understood that Washington drew the French foreign office's attention to the intense publicity attending Paris divorces.

Failing in attempt at suicide, Mrs. A. Hamil, 47, Chicago, died of heart disease.

## TRAIN CRASHES INTO CAR NEAR PETERBORO

As Train No. 92 of the Midland Division, due in Port Hope at 1.10 this afternoon was leaving the yard at the Peterboro depot, a car, with four or five occupants attempted to slow down at a level crossing but owing to defective brakes ran onto the crossing where it was crashed by the train. The car was considerably damaged but no one was injured.

### CARD OF THANKS

We wish to take this opportunity of expressing our sincere thanks and appreciation for the numerous floral tributes and expressions of sympathy tendered us during our recent sad bereavement.—Bruce W. Lawrie, Mr. and Mrs. J. S. Day.

A SURE PROPHECY—Who so curseth his father or his mother, his lamp shall be put out in obscure darkness.—Prov. 20:20.

PRAYER—May love and reverence ever abide in our hearts, O God.

### COMING EVENTS

DON'T MISS THE GARDEN Party at Mrs. McMillan's, Bedford street, on Tuesday afternoon, July 17th. It will be the best yet. You will get nice things to eat at the talent table, toothsome dainties. You will be able to keep cool at the ice cream booth. There will be a choice of quilts for the coming winter. Odds and ends at the white elephant table too numerous to mention. The children will enjoy fishing for the mysterious parcel out of the fish pond. The menu for the supper—Dressed fillet of veal, baked ham, potato salad a la Presbyterian, sliced tomato, tea biscuits, brown and white bread, date bread, cake, ice cream and tea, 35c. Come and enjoy your supper on the lawn. Supper served from 5 to 7 p.m.

RAYMOND HATTON

As he appears with Wallace Beery in "Wife Savers" at the Royal Theatre tonight, tomorrow and Saturday. Despite the uniform, this is not a war picture, the entire action taking place after the Armistice. "Wife Savers" is considered the best of the recent Beery-Hatton productions and should prove to be ideal week end entertainment. An "Our Gang" comedy, the next-to-the last episode of "Hawk of the Hills" and a reel of "Screen Snapshots" complete a well balanced quality program.

# "SALADA" TEA

Never before has such care been used in preparing teas for the public. Never before has such a blend of high quality teas been made, as in "SALADA". This flavour, this unflinching deliciousness is bringing pleasure to millions.

## THE GUIDE STORY

(Continued from yesterday.)

She blushed divinely when she saw Louis.

He, meanwhile, arose, and bowed gravely—on the Continent we all know that a young gentleman never dares to offer his hand to a young lady—greetings passed, seats were found.

The handsome woman in velvet cloak was Mrs. Philip Vaughan, the mother of April. This lady had obtained leave for her daughter and her friend Vesta to spend a day and a night with her at her house in the Rue Meromissil, and she had brought the girls to afternoon tea at the villa of Madame St. Cecile as a "petite distraction."

Mrs. Vaughan was handsome; but her beauty was as distinct from that of her daughter April as the crimson glory of a royal dahlia is distinct from the mingled snow and rose-bloom of the apple-blossom. Mrs. Vaughan was olive-skinned, oval-faced, with an aquiline nose, and liquid brown eyes that ought to have gleamed with the light of love, for love had ever surrounded her path in her youth, and made the world a pleasant dwelling-place for her. Mrs. Vaughan's were the eyes, however, that sparkled more at the sight of diamonds than at the sight of other eyes, no matter how true or how tender the light in them might be.

April looked as superb as a young princess, in a handsome coat of dark-green cloth, braided to match, and a hat of the same.

April was not in love, or anything like it. She had all her wits about her. She was ready to take notes

instrument seemed to have a human voice; and Vesta, who knew the glee by heart, as he knew she did, heard the very words in the inmost depths of her consciousness:

"Love in thine eyes forever plays; He on thy snowy bosom strays; He makes thy rosy lips his cure, And threads the mazes of thy hair. Love dwells in every outward part; But, ah! he never touched thy heart."

The refrain, the variations, were "piercing sweet." Every one was in raptures. Vesta could have rushed toward the young violinist with outstretched hands, crying out: (To be continued.)

## CONVICT ATTACKS GUARD AT 'PEN'

Wednesday Warden Ponsford of Portsmouth Penitentiary made a statement concerning a murderous attack made Tuesday upon Guard R. C. Brewer by Convict Salvatore Deguidice, an Italian sentenced at Welland on March 25, 1927, to three years for wounding and who is alleged to be wanted for murder in his native land. It appears that Deguidice had a fight with another convict in the carpenter shop on Monday and was placed in close confinement. When Guard Brewer opened the cell to give him his dinner, the Italian pounced upon him, knocked him down, and using a piece of sharp tin as a weapon, slashed him about the face, ripping his cheek from lip to ear and narrowly missing cutting his eyes. Guard Brewer's cries brought help and guards beat the vicious convict off their bleeding comrade.

No reason is apparent for the attack. It took twenty-four stitches to close the wounds in Guard Brewer's face.

## PEOPLE URGED TO BUY PLANTS

Power Association Recommends Early Vote be Taken on Purchase

A meeting of the Central Ontario Power Association was held in the Town Council Chamber at Cobourg on Wednesday afternoon. The report of the Special Committee was made at this meeting and was as follows: "The Special Committee, having in view the need for uniformity and other important advantages to be derived from an unbroken system of local public ownership, under the general supervision of the Hydro-Electric Power Commission of Ontario, therefore strongly and unanimously recommends:

"1. That all municipalities within the Central Ontario power zone, that have not yet entered upon such obligation, shall assume ownership of the local electrical distributing systems.

"2. That such municipalities be respectfully requested to enter upon negotiations with the Hydro Commission, as representing the Government of Ontario, to ascertain at what price the local distributing plants may be secured.

"3. That a vote of the ratepayers in all such municipalities be taken at the time of the next municipal election or at an earlier date, if it is so desired, upon the question of purchase of the local distributing plants."

## Bigger Milk Profits

well fed cows mean well filled pails

Feed Quaker Dairy Ration. Its protein produces the maximum quantity of milk, because it stimulates the milk producing organs and rebuilds tissue.

Abundant carbohydrates, too, the body builders. Minerals which tone the blood and keep up health, and which are usually deficient in ordinary feeds.

All in perfect balance. Its grain feeds, cottonseed meal, oil-cake meal, gluten meal, and edible bone meal are in the proportions which assure heaviest milk production over long lactation periods.

Quaker Dairy Ration is economical because it PRODUCES MORE MILK FOR LESS MONEY. No waste, because of perfect balance. Low moisture content, because kiln dried. The advice of our experts is free. The Quaker Oats Company, Peterborough, Ontario.

## E. Vierkoetter Will Swim If Trainer Can Stay

That Ernst Vierkoetter, last year's winner, intends to be among the starters when the gun goes for the third Wrigley marathon at the Canadian National Exhibition is indicated by the report from Montreal that the German consul-general in Canada is making vigorous efforts to obtain an extension of leave of absence for his trainer Erich Barenshae.

The entry list is approaching the 200 mark, many more than at this time last year, and it is predicted a record number of swimmers will enter the water on the day of the event.

Among the latest entries are John B. Ware, Windsor, Ont., a contender last year and who has been practicing faithfully in St. Mary's river in an effort to better adapt himself to the longer distance and cold water, and Hans Manzenrieder, of Washington, D. C., who learned to swim in Germany and started in the race last year.

Wm. C. Black, 70, Akron, Ohio, died 24 hours after resigning from Board of Education.

Choked for Air.—Some little irritant becomes lodged in the bronchial tubes, others gather and the awful choking of asthma results. Nothing offers quite such quick and positive relief as Dr. J. D. Kellogg's Asthma Remedy. The healing, soothing smoke or vapor penetrates, clears the passages and gives untold relief. It has behind it years of success. It is the sure remedy of every sufferer.

## AUCTION SALE OF HORSES

Auction sale of Western Horses. Mr. W. Nicholson, Morse, Sask. will sell by auction at Mr. M. Crossland's farm, one mile west of Perrytown Corner, Lot 19, Con. 7, Hope Township, on Thursday, July 19th, at one o'clock: 20 horses—10 work horses, well broken, ranging from 3 to 6 years old, guaranteed in all harness; 10 two year old colts, well halter broken and farm raised, mostly percherons. Terms of sale—Four months credit to parties furnishing approved joint notes with interest at 6 per cent. per annum.  
J. H. WILSON, Auct.

Thousands of American tourists are spending their holidays in Canada and no doubt many of them appreciate the Canadian brand of liberty.

ALTHOUGH LOCALS OUTHIT COBOURG LATTER TEAM WIN S WEDNESDAY 11-7

Wakely Twirled Five and One Third Innings, But Cobourg's Big Rally in Fifth Frame Spells Defeat for Ontarios in Scheduled Fixture

Len Wakely started off on the mound for the Ontarios in a scheduled Oshawa District fixture at Cobourg Wednesday afternoon but the Ferrytown lads got after his offerings in the sixth frame and with one out Brockenshire was sent in to stem the onslaught. Altogether five juicy markers resulted in this inning and this spelled defeat to Harvey Boyd's gang.

Port Hope plays their next game here Saturday when Oshawa Intermediates come for a scheduled fixture. Although the tilt was slated for Oshawa, it will be played in Port Hope according to an agreement made at the beginning of the season whereby the Motor City team plays their home games with Port Hope in the latter town.

The Ontarios got another counter in the fourth innings and then went into the lead in the fifth when they bagged two more. Boyd hit over short and Hutchings came through with a safety to right field. Haskill bounced to third and when Coole three wild both runners came home. An aeroplane was hovering over the northern end of Cobourg and Wakely also ascended in the fifth chukker. Coole hit to left, Jones batting for Bevans, drew a pass, and Landymore connected for a hit, filling the runways. Butler popped to first, and Markey hit through second. The throw to the plate from the outfield went wild and three runs came in. Campbell registered a walk and Boundy hit over short, counting Markey and Campbell scored on Rollings' fielders choice. Bill Brockenshire toiled on the mound for two thirds of this stanza and issued one walk.

Cobourg added one more in the seventh and two in the eighth while in the first of the ninth Port Hope showed their total up to seven by scoring three runs on an error, two hits, a walk and a fielders choice. Boyd led the parade for the locals with three hits out of four trips to the plate, one going for a double, while Graham, Lyceet and Hutchings had a brace of safeties to their credit.

The use of Miller's Worm Powders insures healthy children, so far as the ailments attributable to the worms are concerned. A high mortality among children is traceable to worms. These sap the strength of infants so that they are unable to maintain the battle for life and succumb to weakness. This preparation gives promise of health and keeps it.

Break Even

"Rip" Collins won his tenth victory of the season and Jess Doyle lost his eighth game in the double-header against the trailing Jersey City clan at Leaf Stadium yesterday afternoon. The O'Haras had their hands full winning the first engagement by 3 to 2, but they were fortunate in the second fixture to escape with a 4 to 1 reverse. The way Gilhooley's men made life miserable for Doyle and the rest of the league pace setters was a crime and a shame. They hit that ball with terrific force and only sensation as well as lucky fielding prevented them from making more than a dozen hits. It wasn't Doyle's day, not by quite a bit.

Spectacular work in the field and

Racking Headaches? Kidney Troubles?

Quickly relieved by "Fruit-a-tives"

MRS. R. TESSIER

St. Jean de Matha, P.Q.—"I was very weak, suffered from a bad case of kidney trouble and severe headaches. I was treated for a long time, but became discouraged, so decided to try "Fruitatives." Soon I noticed a relief, and after six months my health completely returned."—Mrs. Romulus Tessler.

"Fruitatives" works with nature to restore healthful action to kidneys, liver, stomach and bowels. It is made only of the intensified juices of ripe, fresh fruit and tonics which drive out poisons, purify the blood, cleanse and tone up the whole system.

Start your system working correctly with "Fruitatives." 25c and 50c a box. on the bases by Harold Buck, diminutive left fielder, gave Kingston a 10 to 8 victory over Peterboro at Kingston Wednesday night in a C.O.B.L.

The game was one of the best played of the season only two errors being registered. Cherry led the parade with four hits, while J. Arnell and Buck each had three safeties. Charley Fournier went back for his second victory in a week over the Petes, while Macdonald was beaten for the second time.

Peterboro 011 100 000—3 6 1
Kingston 401 103 01x—10 14 1
Fourier and Tetzo; Macdonald and Swanston.

Belleboro Win From Beavers by the Score of 8 to 7

The Beavers journeyed north last night and hooked up in an exhibition game with Belleboro and returned late in the evening with the small end of an 8 to 7 score. Deyell and Dean were the battery for the visitors while Clement and Phillips did the battery work for the locals. After the game they enjoyed themselves immensely at the strawberry festival and play put on in the village.

Belleville Now in Lead; Wins Two C.O.B.L. Games

Belleville assumed the leadership of the C.O.B.L. race yesterday when they took both ends of a double-header from the Deloro Smelters. The scores were 2 to 0 in the first game and 5 to 4 in the second fixture.

The first game was the best to be played in the league this year.

The twilight fixture was decided in the second frame when Belleville landed into Ralph, a left-hander, for four runs after getting a one tally in the opening frame. Woods was sent to the hillock and held the opposition safely.

r.h.e. Belleville 000 000 002—2 6 3
Deloro 000 000 000—0 2 0
Gibson and W. Mills; Leal and Collins.

r.h.e. Belleville 140 000 000—5 9 4
Deloro 100 300 000—4 7 1
Utronki and W. Mills; Ralph, Woods and Collins.

Umpires—Colling, of Belleville, at the plate; Kay of Peterboro, on the bases.

GIVING THE BASS A CHANCE

The slogan, "Give the bass a chance to grow" adopted by the Fish and Game Department of the Ontario government should be echoed by all true sportsmen whether resident fishermen or members of the tourist army now swarming over the Province.

The genuine angler will make the message count for something by religiously adhering to the regulation limiting the day's catch to six and by returning to the water bass that are under the legal limit.

There is no particular satisfaction in catching little bass, and while there is a strong temptation when the fish are biting hard and fast to keep right on after them even when the day's catch has been taken, good citizens will recognize the fact that if fishing is to be preserved and if the hard-fighting bass is not to be wiped out completely it is necessary to obey the law.

The shortening of the season and

the cutting down of the day's catch will do much to save the black bass from extinction, provided there is general co-operation with the department in making these changes fully effective.—Peterboro Examiner.

BRIEF AS CAN BE

Sixty-two deaths by violence are reported for five days in Indiana.

G. C. Loveland, Dixon, Ill., leaves \$500,000 to erect community building.

While riding motorcycle, W. Newell hit cow and killed at Danville, Ill.

Harry M. Bash, 56, banker of Toledo, Ohio, committed suicide by suicide.

Twenty-five rattlesnakes killed by workmen on Bessemer Railroad near Mercer, Pa.

Excited over driving new car, is blamed for death of Chas Pepercorn, 63, at Chicago.

Mrs. B. L. McGinnis, 60, was fined for picking flowers from graves at Graceland Cemetery, Chicago.

Yu Vawn, 7 month old daughter of J. E. Shotts, Birmingham Ala., converses as average six year old child.

Breaking of second storey porch railing on which she sat, Mary Distat of Sioux City, Ia., died from fall.

NIGHT'S JOURNEY TO THE NORTH BRINGS FISHERMAN ADVENTURE

Canadian National Summer Schedule a Boon to Vacationists

Timagami is the land of adventure for the fisherman—a chance to enjoy old clothes and feel the thrill of the rod.

From Toronto, Canadian National Railways provide a through sleeping car service. A comfortable night's sleep and you are in the wilds of Northern Ontario ready for all the sport that Timagami will provide.

Full information and literature from Canadian National Ticket Agents.

A Simple Cotton Frock That Spells Chic For Its Wearer

OCCASIONALLY one has the good fortune to meet a person who seems to be born with that certain air of poise and well-bearing which makes her appear smart in the simplest attire. The young girl above is one of those people who "simply knows how to wear her clothes," as the chic printed dress that she is wearing bears proof. The scalloped outline of the box-pleated skirt gives exceedingly good lines and provides for ample fullness in a most charming way.

The neckline, consisting of a collar that forms a jabot at the left side, is another new and unique detail of the design. The short kimono sleeves, collar and scalloped outline of pleats are bound with plain fabric to match the figure of the dress material. For informal occasions and sports wear during the heated term, this model made in pongee, linen, shirting silks or rayons, proves cool as well as smart. (Copyright, 1928, by Butterick)

WATSON'S DRUG STORE

THE HIGHWAYS OF BUYING . .

"Follow the highway markings and you can't go wrong." . . . That's the advice the Automobile Club gives you before starting on a motor trip. You follow the well-known, well-marked roads. And you reach your destination the safest, most comfortable way.

Why not follow the same rule in your shopping? Why not stick to the "highways of buying?" They have been just as carefully plotted and are just as carefully marked as the great motor roads you've come to depend on. Marked by the trade-marks of reliable, advertised products.

The next time you go shopping follow these "highways." Before you start, look through the advertisements in these columns. Pick out the products you want. Notice the names and trade marks that indentify them. And then ask for them by name.

The advertisements are the sign-posts to guide you to the best merchandise.

As an Alpine guide, Beery is a scream—the funniest mountain climber who ever tried to yodel. He and his little pal cause a regular laugh-slide when they try to save a wife

Tennis Enthusiasts Take Part In Ladies' Doubles and Mixed Doubles

The Port Hope Tennis Club conducted a successful tournament at the local courts Wednesday afternoon and some very fast sets were played. Miss Audrie Brown and Foster Hamilton proved the winners of the mixed doubles and Misses Betty Ryan and Annie Brown emerged the winners of the ladies doubles. Boxes of chocolates were donated to the winners.

**PERSONAL**

Mrs. N. Bruce Runnals, of Saskatoon, Sask., is visiting Mrs. Pedlar and other friends in town.

Dr. and Mrs. Tucker, of Niagara Falls, N. Y., who have been visiting in Los Angeles, Cal., have returned and made a flying visit to Port Hope and spent a short time at the homes of his uncles, Messrs. Charles and James Massie.

Mr. and Mrs. John McLaughlan, Jimmy and Betty, are spending their two week's vacation at the home of Mr. and Mrs. A. Roseweir, Bethel.

Mr. and Mrs. Fred Kelly of Guelph spent the week end with Dr. and Mrs. C. B. Kelly, John st.

Master Ronald Hartman and Miss Marion Hartman of St. Catharines, are spending their vacation with their uncle and aunt, Mr. and Mrs. John Box, Oranville St.

Mr. E. H. Cohn, organist of St. John's Church, has left for a vacation trip to England.

Wm. Hunter of Warsaw, N. Y., was in town attending the funeral of the late Mrs. John Layrie.

Mrs. R. Mills, formerly Mary Sutherland of Port Hope, wants her friends here to know of her safe arrival at Fraserburg, Scotland. She found her sister critically ill.

Mrs. Harry Coling who came here to spend a month with Mrs. C. W. Connop, King street, was called to the home of her mother, Mrs. E. C. Connop, Paris, after only a week's stay here with her sister-in-law.

Mr. R. T. Stanton, of Chicago, Ill., is celebrating his four score birthday with his old friend, Mr. J. Philip, who by his efforts brought that model apple farm to such perfection between here and Cobourg. Mr. Stanton or "Dad" as he is lovingly referred to by his friends on the "other side" is an "old boy of Brant county" and received his education and business training at Brantford, Ont., only to turn over his ability to the United States. He didn't say that he is a multi-millionaire, but if he isn't he lives away up on "easy street," making his home at the Union League Club. He is justly proud of a thin platinum watch of Swiss manufacture on which is engraved "Dad from his loving friends." He was something of an athlete too for he still prizes a cup that he won on Toronto Bay in 1876—single sculls. He still plays at golf and has put balls on over two hundred courses in Canada, United States, England, Scotland and France and is still looking for the man he can beat at the game on the course over which he can do more than practice. Mr. Stanton believes in outdoor sports and athletics for a strong body is necessary for a healthy mind. His hobby is boys—the suggestion that the editor of The Guide was something of a kid, however did not meet with very hearty approval or any advice or help.

**FREE CANADIANS FROM ARMY CALL**

But Regulation May Not Affect Sons of Late Count de Lesseps

The government of France has passed legislation relieving Canadians who are also French from the military obligations of French nationality, according to advice received by the department of external affairs Tuesday. Some time ago the Canadian government conferred with that of France on the question and France conceded to the Dominion freedom from conscription obligations for Canadians born in France. By French law such Canadians can not evade military service and can always be called upon in the event of war. Under the new arrangement Canadians are now exempt from such obligations.

**HEARD ON THE STREET**

Good morning! Are you going to the walk?

Today all the loyal sons of the Orange order will be in the "big parade." A large number of local Orangemen went by train and motor to participate in the walk at Peterboro.

With Miss Dorothy Wormington supplying for Mr. Cohn, we now have three of our talented young people presiding at organs. Miss Wormington at St. John's; Miss Frances Johnson at St. Paul's Presbyterian, and Mr. Fred Skitch at the United Church. Port Hope is indeed fortunate to possess such brilliant young musicians as these.

A twenty pound "lunge" on a light silk line seems to be a real achievement. Dr. A. G. Aldrich who is spending the summer at his home at Tower Farm, Rice Lake, was following the sport he dearly loves when he caught a twenty pound maskinonge on a small silk line while trolling alone, and landed it without assistance. "Doc" will be able to celebrate the "Glorious Twelfth" with a big fish dinner.

The Oshawa Prohibition Union has definitely decided to present the City Council with a resolution, passed at a meeting strictly opposing the establishment of a brewery at Oshawa. Particular opposition is raised to the selling of public land for the project. Representatives from all organizations in the interest of prohibition in the city were present and the resolution was unanimous.

Two thieves made good their escape after committing a \$1700 robbery at the store of E. R. Curtin, Oshawa, Wednesday morning. P. C. George Parsons chased one marauder. Shots were exchanged but none struck their mark. The loot consisted of dresses and valuable furs. It was all recovered.

Arrangements were made at Cobourg recently between T. A. E. World, President of the Lake Yacht Racing Association; Blake Van Winkle, Secretary, His Worship Mayor W. E. Cooper, and members of the Town Council for holding the Freeman Cup races from Cobourg to Oswego on July 29. The races will start off the East pier at 3 p.m. This will be an important event in yachting circles.

The Warden's picnic and boat trip of Victoria County was held Wednesday from Lindsay to Bobcaygeon. This year Warden A. D. McIntyre was host to the Reeves, Deputy Reeves, ex-Wardens and county officials. The steamer Lintonia took the party from Lindsay and a basket party was held in the Agricultural Park at Bobcaygeon.

Six members of the Bon Ton Orchestra, proceeding to a dance at the County Club, were injured last night when their car was tossed into the ditch near Joe's Creek on the Provincial Highway three miles west of Belleville. It is alleged the car was speeding and the driver, seeing another car coming out of a laneway, attempted to pass striking the front fender. Provincial Police investigated and, it is understood, a charge of reckless driving will be laid.

**Ambiguous**

A visitor to a harvest festival service at a country church was admiring the beautiful flowers on the altar and elsewhere. "Yes" said the old verger, "they are very nice, I'll admit. They are given away to those who are sick at the sermon."

**DURHAM COUNTY WILL PAY 100**

County Council Has Accepted Ultimatum of Oshawa Board of Education

The County Council of Durham, has accepted the ultimatum of the Oshawa Board of Education, and will henceforth pay 100 per cent of the cost of maintenance and 80 per cent of the debenture cost for the pupils from this county attending the Oshawa Collegiate Institute, says a communication received from the clerk of the county council by the Oshawa Board. The clerk of Ontario County reported that his council had not dealt officially with the matter, so that it was to be understood that the Board was to charge the county as a whole in the same way as formerly, the pupil himself paying the difference.

This ends, for a time at least, a debate which has been waging between the Board of Education and the two county councils affected. Especially the Ontario County Council was opposed to paying 100 per cent of the maintenance cost of pupils attending the Oshawa Collegiate, and at a recent meeting of the Board it was decided to levy on each pupil an amount that would practically make up the difference between the amount formerly collected, 80 per cent of the maintenance cost and the full 100 per cent. This will apply only to pupils coming from Ontario County, however, Durham county having agreed to pay 100 per cent of the maintenance cost.

**CARD OF THANKS**

Miss E. Munson and Mr. and Mrs. E. Peters wish to take this opportunity to thank their many friends and neighbours for their kindness during the recent illness of Miss M. Munson and for the sympathy expressed in the floral offerings.

Robert MacFarlane, 54, prefers his 40 year old high wheeled bicycle to auto riding about Conneaut, Ohio.
