

THE KINSMEN CLUB OF PORT HOPE

PROUDLY PRESENT THEIR 14th ANNUAL

SOUVENIR PROGRAM

CELEBRATING CANADA'S 102nd BIRTHDAY

TUESDAY, JULY 1st, 1969

PRESIDENTS MESSAGE

It is with great pride that we, the Kinsmen Club of Port Hope are once again able to bring the people of Port Hope and surrounding district a Dominion Day Programme which we hope will be to the enjoyment of all in this the second birthday of Canada's second century.

Since its origin seventeen years ago, the Kinsmen Club of Port Hope has identified itself as the "Community's Greatest Need". In order to earn this distinction the club has adopted various services projects which include reviving the Dominion Day celebrations in Port Hope, over the past fifteen years this event has become our main community service project.

The Dominion Day celebrations will begin on Friday evening June 27th - we will be featuring Jack Bailey and his Bailiffs with dancing from 9 to 1:00 a. m. at the Peter Campbell Memorial Arena.

Tuesday, July 1st, will be the Calithumpian parade starting at 2:30 p. m. from Victoria & Ridout Street and proceeding down Walton Street. In the evening beginning at 6:30 p. m. at the Port Hope Town Park, six of Canada's top Jr. "A" Drum & Bugle Corps will be competing for prize money and Trophies.

The members of our Kinsmen Club would like to take this opportunity to extend to you and yours this invitation to join with us in this celebration.

To the merchants, organizations, and various groups, and to you the public, may I take this opportunity to thank you all for the support given us in the past, for without this support we would not be able to carry on our service work in our community.

Ron Battersby, President,

Kinsmen Festival of Music Competition.

This year we are having a Jr. D.

show corps Canada's Marching Ambassad
Champions.

In order that you might understand
of the things that the competing corps wil
by the Canadian Drum Corp Association an
have been appointed by the Judges chapter
capable hands.

The price is only \$1.50 per pers
The show will start at 6:15 p.m., July
you there.

HOW A CONTI

In order to make the show more enjoyable, a few details of
the duties of judges and officials will be described.

On the field you will see a group of men who, to your mind
perhaps, seem to be in the way of various units while they are
doing their show. These men are the judges, and each one has a
particular job to do.

MARCHING AND MANOEUVRING

There are two judges for Marching and Manoeuvring. No
one could be more exacting than these men. Any slight error in
the drill, intervals between men, distance between ranks or
sections, or line dressing, is penalized one-tenth of a point. These
men are trained to see the slightest error, many of which are not
noticed by spectators.

BUGLING

There are two judges for Bugling. These men are picked for
their ability to detect the slightest imperfections in tone, musical
accents, proper musical blend, as well as to rate the quality of the
music. They also watch the handling of the instruments and posi-
tions while playing and marching. One-tenth of a point is the
penalty for each bad note or lack of precision or parade uniformity
in any way.

A MESSAGE FROM THE MAYOR OF PORT HOPE

On the occasion of Canada's 102nd birth-
day we congratulate the Kinsmen Club of Port Hope
for their outstanding effort in the promotion of this
colourful Calithumpian Parade and the Festival of
Music which they have organized for us today.

Year after year a small but dedicated group
of young citizens in the Kinsmen Club devout much
time and physical effort to put forth one of the finest
programmes of the year for our enjoyment. They
renew each year our appreciation of the great and
wonderful land we live in and remind us that the
birthday of our nation is indeed an historic oc-
casion. They remind us of our own obligations to
pray and work for the betterment of our country.

On the behalf of the Town Council and all
the citizens of Port Hope I express to President
Ron Battersby and all the members of the Kinsmen
Club of Port Hope the Town's sincere gratitude for
their untiring efforts and determination to keep
this celebration an annual event.

May God bless you in the fine work you do to
make this a better community for all of us.

S JUDGED

DRUMMING

There are two judges for Drumming. Angle at which the
drums are carried, uniformity of height, position of drum-sticks
are watched at all times. Each drum rudiment which corresponds
to the musical note of the parade trumpets must be done to per-
fection. Attack, release, contrast, diminuendo and crescendo are
essential tonal requisites of a good drummer. Any time he errs in any
of these departments, he loses a tenth of a point for his unit.

GENERAL EFFECT

There are three judges for General Effect; Showmanship is
a vital part of a competition. Located in the grandstand at suit-
able points are three "G.E." judges. These men evaluate the
overall effect of each unit from the standpoint of the seasoned
spectator. They judge the smoothness of execution of the drill, the
general temper of the bugling and drumming, the action of the drum-
major, and the Colour Guard. They consider whether the man-
euvers are simple or complex, whether they are properly set to
the music, and whether the whole show of the particular corps has
the harmony, co-ordination and polish it should have. They score
each corps accordingly.
